To Whom It May Concern,

This email is to recommend that you approve a Special Use Permit for Whispering Wolf / Jennifer Wright (17 Brattle Place SP-25-3) to enable them to continue operating in their current location.

We have used their services for several years. They are an excellent organization that provides great service. We send our dog there for exercise during the day several times a week.

From our perspective, the fact that Whispering Wolf is a residence has always been an *advantage*. Our dog feels extremely comfortable there and acts like the house is her own. She much prefers it over other commercial kennels which frankly terrify her (she does not even want to enter the building).

Thank you,

Nathan and Sarah Hugenberger
