Dear Zoning Board of Appeals,

I am writing to express my complete support for the Special Permit requested by Daniel and Jennifer Wight.

I live on the corner of Brattle Street and Brattle place. My backyard and driveway are fully situated on Brattle Place. I love living here and have found Dan and Jen to be ideal neighbors. They are respectful and helpful and their dog care business, Whispering Wolf, is in no way disruptive.

It is my hope that the ZBA will grant them the Special Permit requested to continue to operate their business. People like the Wights and their thriving small business are part of what makes Arlington a unique and wonderful community.

Sincerely,

Deborah Rourke
