Dear Members of the Zoning Board of Appeals,

As neighbors on Brattle Place, we would like to express our support for Jennifer Wight's request for a special permit for her dog-sitting business "Whispering Wolf" to allow her to conduct her business on the property at 17 Brattle Place. We are nearby neighbors, and are among several dog owners on Brattle Place. Jennifer and her husband Dan are active and vital contributors to the spirit of our community on Brattle Place. Jennifer has spoken to several of the neighbors about her plans for her business, and she circulated an informational e-mail to the neighborhood list. The Wight family have been ideal neighbors for many years, respecting everyone on the street, and leading improvement efforts on our street. My wife and I are fully in support of this request. The area proposed for dog play is fully enclosed with a tall fence and is shielded from the street almost entirely by the Wight's house. Jennifer and Dan are thoughtful, approachable folks who will be responsive to any neighborhood concerns that might come up. They take a great deal of pride in our little neighborhood. Brattle Place is a unique street which dead ends into the Minuteman Bikeway, creating a quiet, yet busy enclave with pedestrians and bicyclists coming and going. 17 Brattle Place is a great spot for this small business proposed by our neighbors.
