**Subject:** Crosswalk for Mass. Ave. near Palmer Street

---

I believe adding a crosswalk on Mass. Ave. near Palmer St. Is needed to ensure the safety of pedestrians crossing Mass. Ave. A large number of people cross Mass. Ave. at that intersection because of the Dunkin Donuts, which has limited parking. This is particularly a problem in the morning when people are buying coffee. In addition, people exiting the bus at that corner commonly cross Mass. Ave. I would appreciate your asking the Transportation Advisory Committee to review this matter and your taking necessary measures to make Mass. Ave. safer. Thank you for your consideration.
