Comments by each Division or Department:

The business proposed for this site is an existing 1,148 square foot pizza restaurant selling pizza, sandwiches and salads for consumption on and off the premises. There is seating for twenty three (23) patrons and no assigned on-street or off-street parking spaces. It is a small enterprise serving the residential neighborhoods around the Arlington Heights business district (B3 zone). It is an appropriate type of business for its location on Massachusetts Avenue in the midst of a village commercial center.

The Dept. of Planning and Community Development has no objection to the issuance of a Common Victualler license as requested.

I have received the above report and acknowledge said inspection. I fully understand that no work is to commence at the premises of the proposed location of which is the subject matter of this inspection report until the license is approved by the Board of Selectmen; furthermore, any work done is done at the applicant's risk.
