This handbook is to serve as a resource for the Board of Selectmen, other officials and agencies of Town of Arlington government, and the public by setting forth the Board's basic functions, policies, and procedures. Companion policies, including those pertaining to permits and licenses are codified elsewhere in the interests of allowing this handbook to be an efficient foundation for consistent, transparent, and effective Board administration. In short, this document provides:

- Reference material for presently serving members of the Board on significant policies and procedures;
- Guidance for citizens and Town employees on Board policies, and procedures;
- Education for new Board members in the interests of continuity of effective Board governance; and
- Serve as a model of policies and procedure for other boards and commissions.

The Handbook shall be periodically reviewed and updated as appropriate at the annual goal setting workshop of the Board of Selectmen and Town Manager.

Overview

In Arlington the number of Selectmen is determined by the Town Manager Act, Chapter 503 of the Acts of 1952 as amended. Hence, the Board of Selectmen is comprised of five elected residents who serve three-year terms. They are elected on the following cycle:

- Two are elected one year;
- Two are elected the following year; and
- One is elected in the third year of a given Board election cycle.

Town Manager Act §3

The primary duties and responsibilities of the Board are described in Chapter 2 herein.

ARLINGTON BOARD OF SELECTMEN

HISTORY

Boards of Selectmen throughout New England, have their roots in pre-colonial days when the church served as the center of the community for those who had traveled from Europe for religious freedom. After church services in Menotomy (Wampanoag term meaning *swift running river*) the assembled would conduct a town meeting to discuss any civic matters that impacted the citizens of Menotomy. If the matter required investigation they would “select” someone from the congregation to go and gather information and report back at the next town meeting.

Borrowing the concept of councils from their English heritage, the colonists began to elect between three and nine “select men” or “townsmen” to serve for fixed terms. Beginning with Dorchester in 1633, towns in Massachusetts quickly adopted this unique form of government.

Initially, the powers and duties of Selectmen differed from Town to Town. In general, Selectmen were required to carry out and enforce the votes of the Town meeting, but were additionally granted authority over other areas of Town government.

In 1867, then West Cambridge, the citizens voted and then changed the name to Arlington to commemorate those who had made the ultimate sacrifice on behalf of their country and were buried in the Arlington National Cemetery (Dedicated in 1866).

From 1867 – 1953 there was a 3 member Board of Selectmen who were “selected” by the voters to serve 3-year terms. In 1952 Town Meeting voted to change Arlington’s form of government. On a warrant article, sponsored by the League of Women Voters and on a subsequent charter reform referendum by the voters, Arlington changed to a Town Manager form of government.

In 1953, the Board of Selectmen subsumed the Board of Public Works and became a 5 member committee. This model was based on the most popular business model of a Board of Directors who directed the President/CEO of the company. Since 1953, Arlington has had 6 Town Managers:

Edward C. Monihan	1953- 1966
Donald Marquis	1966-2000
Phil Farrington	2000- 2002
Nancy Galkowski	2002-2004
Brian Sullivan	2004-2012
Adam Chapdelaine	2012-Present

In July of 1973 the first woman to serve on the Board of Selectmen was Anne Mahon Powers who was appointed by the Board to finish the term of William S. Abbott who had retired. In November 1973 Margaret Spengler was the first woman elected to the Board of Selectmen.

Since 1867 there have been 91 citizens of Arlington who have served on the Board. They are the following:

The primary sources of Board of Selectmen authority are:

- Massachusetts General Laws and Special Acts;¹

Within the Town Manager Act and the Town By-laws, the following non-exhaustive provisions are particularly critical in establishing the parameters of the Board's powers:

Town By-Laws Art. 2 § 1

- ❖ The Selectmen appoint the Town Manager, the Comptroller, the Board Administrator, the Registrar of Voters (except the Town Clerk), the Zoning Board of Appeals, select advisory committees, and election officers; and further, confirm a host of appointments by the Town Manager.

- ❖ The Board's financial responsibilities include, in conjunction with the Town Manager, reviewing Town budgets to provide annual recommendations to the Finance Committee; as well as dispersing federal Community Development Block Grant monies in conjunction with the Town Manager.

¹ More than 700 statutes and Special Acts define the powers and duties of Selectmen including the Town Manager Act.

Town By-Laws Art. 1 §1; Town Manager Act §45

Accordingly, in conjunction with the General Laws, the Board possesses the following duties and responsibilities:

 - contractor drainlayer;
- ❖ Serve as the permitting authority for the following categories:
 - parking permit exceptions,

Additionally, as outlined in the General Laws and the Town Manager Act, the Board also possesses the duties and responsibilities of the following:

- ❖ Licensing Board,
 - Cable Commissioners,
 - Water Commissioners,
 - Highway Commissioners,

- Sewer Commissioners,
- Election Commissioners, and
- Parking Commissioners.

The above lists of powers, duties, and responsibilities do not present a complete detailing of the Board of Selectmen's role in Arlington's government, nor does it serve as a statement of limitations on a specific Board's vision and operation. Rather, this section enumerates the major categories of Selectmen duties and powers, as well as specific, common areas where the Board exercises its authority in the discharge of its duties.

Each year, a given Board will both proactively and responsively address the new needs of the Town within its authority. For an understanding of the short and long-term vision and self-assessments of any given Board one should consult the most recent Board of Selectmen Goals. Each year, the Selectmen revisit, renew, and revise their collective goals and objectives for the coming year in conjunction with the Town Manager. However, absent a change in law, the Selectmen's powers, duties, and responsibilities remain as enumerated herein.

The Board of Selectmen participates in awards, proclamations and events.

SELECTMEN AWARDS:

Awards, established in 1975, are given to a person, a group of people, or an organization to recognize their excellence in a certain field. Approximately every five years awards are given out recognizing people and organizations for their efforts that truly benefit the Town. The Selectmen nominate and award the following:

The Robbins Award - This award honors patrons for their outstanding and significant contributions of service and leadership in the areas of social, cultural, educational, political or religious activities as well as benevolent and philanthropic actions for the common good.

The Cyrus E. Dallin Award - This award honors any person or group who has given meritorious service to the community in areas of community beautification, education, artistic, cultural, humanistic or philanthropic contributions, meeting human needs particularly needs of the youth.

The Samuel A. Wilson Award - This award includes any person or group who has made an important and meaningful contribution to the community. Their effort should be considerable, exceptional and notable.

The Joseph P. Greeley Award - This award should reflect long-time, continuous and excellent service to the town. Any past or present town employee or group is eligible to receive this award.

A Nominating Committee is appointed by the Selectmen, with each Selectmen appointing one committee member. The role of the committee is to receive applications/recommendations and then recommend a slate of nominees to present to the Board of Selectmen Chair and Vice Chair. The Chair and Vice Chair will select the nominee finalist for each award and then bring the nominees to a future Selectmen's meeting for approval. The Nominating Committee will present a one-paragraph description of each finalist's meritorious contributions at that meeting. The awards are presented at a ceremonial event in the Town Hall.

PROCLAMATIONS & EVENTS:

In addition to awards the Selectmen sponsor proclamations and events.

- Proclamations are a public or official announcement recognizing great accomplishments and events in the community, especially ones of great importance. A proclamation can be for an organization or an individual in honor of their recognition. Requests for proclamations should be directed to the Selectmen's Administration Office along with the information/desired wording of the accomplishment or event three-weeks prior to the date of issue.
- Events are occasions of importance such as Town Night/Day, Sister City Programs, Selectmen Awards Presentation and Anniversary Celebrations. These events support the efforts of community volunteers and traditions of the community.

Town Night/Day is the largest community event held annually and features music, family entertainment and booth vendors. The Town Night /Day celebrations depend on the financial support of both our corporate and residential neighbors.

Sister City Programs create opportunities for the Town to experience and explore other cultures through long-term municipal partnerships in a global arena. It immerses our students through a student exchange into each other's way of life which bolsters their academic experience. Sister City Nagaokakyo and Arlington celebrated a 30th anniversary of friendship in 2015.

Anniversary Celebrations are events celebrating historic milestones and traditions such as the Centennial Celebration of Town Hall & Gardens.

It is the long standing intention and tradition of the Board of Selectmen to act as a single body in the best interests of the people of the Town of Arlington, and to maintain a civil decorum becoming of the citizenry the Selectmen serve. Even as individual members may passionately disagree with one another, members of the public, or Town employees, engaging in lively discourse, the Board of Selectmen shall endeavor to conduct itself as a whole in the most professional of manners. To that end, the Selectmen pledge their commitment to the following self-enforced code of conduct developed by the Massachusetts Municipal Association and modified for Arlington's governance.

A. Board-Community Relations.

3. Keep requests for staff support to a minimum wherever possible, and insure that all requests go through the Town Manager's Office or between such office and the Office of the Board of Selectmen.
4. To the extent practicable, insure that any materials or information provided to an individual member from a staff member be made available to all Selectmen.

As a final matter each Selectman as an elected official, has an individual and specific series of ethical obligations under Massachusetts' "Conflict of Interest" statute, G.L. c. 268A, as well as Office of Campaign and Political Finance regulations. Moreover, the Board has obligations as a body to abide by a number of other important laws and regulations reflecting on its conduct, including, but not limited to, the Open Meeting Law and Public Records Laws. Both Members as individuals and the Board as a whole must be especially mindful of these obligations in addition to its self-enforced code of conduct.

The Board of Selectmen is responsible for hiring a variety of Town employees including the Town Manager, making or confirming appointees to Town Committees, and its own internal election of officers.

A. Board Officers & Elections

The officers of the Board of Selectmen shall be Chairman and Vice-Chairman elected annually from its members, and shall each serve a term of one (1) year. The Board Administrator, discussed in further detail below, serves as Chairman *pro tem* for administrative purposes only until a Chairman is elected, calling for an organizational meeting on the Monday immediately following the annual Town Election. All five (5) members should be present to hold the annual Board election, and the process shall begin by asking members of the Board for nominations for Chairman.

❖ Chairman

Following nomination, an individual member of the Board receiving three (3) or more votes, however achieved, will be named Chairman. Upon election, the Chairman of the Board's duties shall be as follows:

- Preside at all meetings of the Board;
- Act as liaison between Board of Selectmen staff, including the Board Administrator;
- Represent the Board at meetings, conferences, and other gatherings;
- Creates and reviews Board agendas in concert with Board of Selectmen staff, and in consultation with the Town Manager;
- Arranges orientation for new Board members;
- Serves as the spokesman of the Board at Town Meetings and presents the Board's position on Warrant Articles with recommended action voted in the majority.

It should further be noted that the function of the Chairman is to convey the Board's considered position on any matter on which he or she represents the Board and to direct the conduct of the meetings so that the Board's business is properly and efficiently dispatched.

❖ Vice Chairman

Following his or her election, the Chairman conducts the election for the Vice-Chairman, receiving nominations and conducting votes. The member receiving three (3) or more contemporaneous votes shall be elected Vice-Chairman.

Upon election, the duties of the Vice-Chairman shall be all the duties of the Chairman in his or her absence, or as requested by the Chairman.

❖ Seniority & Proceedings in the Absence of Board Officers

Seniority of Board members is determined by total length of service. Seniority in the instance of two individuals being elected at the same time and having served the same number of total terms shall be determined by the member receiving the superior number of votes at the most recent election.

In any Board of Selectmen proceeding conducted in the absence of the elected Chairman and the Vice Chairman, the most senior member of the Board in attendance shall preside as acting Chairman.

❖ Removal & Vacancy of Board Officers

The Chairman and the Vice-Chairman serve at the pleasure of the Board. As such, either may be removed from such position with a majority vote of the Board. If either the Chairman or the Vice Chairman is removed from office or resign their office, the Board will conduct another organizational meeting. The Chairman conducts an organizational meeting to replace the Vice-Chairman and the Vice-Chairman conducts an organizational meeting to replace the Chairman.

In the event of a vacancy of an office created by a vacancy on the Board itself, the minimum number of members to conduct an organizational meeting will be however many members of the Board remain in service, with three (3) being the minimum number for a quorum.

❖ Board Tradition on Elections

While not a binding policy, it has been the tradition of the Board to appoint as Chairman and Vice-Chairman the two (2) individual Board members who would be up for re-election in the next regularly scheduled election cycle. Traditionally, of these two members, the individual with the most seniority on the Board has served as Chairman and the other as Vice-Chairman, except in the case where the senior member had already served as Chairman, in which case the junior member would serve in the Chairman or the Vice Chairman office. Whenever both members continue to serve concurrently – in three (3) years the roles would be reversed.

Further, it is also the Board's tradition, that when applicable, each member of the Board has served as Chairman at least once every six years. In the case of the member that runs alone, every three (3) years, the Board has elected that individual as Chairman. One of the two (2) members who would be up for re-election in the Spring has been voted as Vice-Chairman. In the one instance where two (2) individuals were newly elected to the Board, neither had seniority and the Board followed the nominating and election process outside of the aforementioned tradition.

B. Board Vacancies

Pursuant to §3 of the Town Manager Act, when a vacancy occurs in the actual membership of the Board of Selectmen (as opposed to vacancy of the offices of Chair or Vice Chair), for any reason other than the expiration of a term, the remaining selectmen and the moderator, within thirty days after such vacancy occurs, shall appoint another selectman to fill the vacancy until the next Town Election, at which the voters shall elect a selectman for the remainder of the unexpired term. A majority of the ballots of the officers entitled to vote shall be necessary to such appointment.

C. Board Employees

The Board of Selectmen is responsible for hiring and supervising the following Town Employees:

- Town Manager;
- Town Comptroller;
- Office of the Board of Selectmen staff, including the Board Administrator;
- Zoning Board of Appeals Administrator; and
- Parking Clerk.

A current job description for each of the above positions is annexed to the Handbook in Appendix Section A-1. While the hiring and supervision of all Board appointed Town Employees is firmly vested within the Board, the Selectmen as a body should utilize the professional expertise and resources of the Town Human Resources Director.

C-1. Appointment of the Town Manager

The Board shall appoint the Town Manager in accordance with the Town Manager Act and will endeavor to utilize the best current practices to provide for the search for, and recruitment of Town Manager candidates.

The Board shall set the Town Manager's compensation and other material conditions of employment they deem appropriate by written contract, so long as such terms and conditions shall not be in conflict with the Town Manager Act.

D. Statutory Direct Board Appointments

In accordance with §4 of the Town Manager Act and Massachusetts General Laws, the Board is vested with the authority and responsibility to directly appoint a variety of Town officials in varying contexts in part-time or seasonal capacities, traditionally considered distinct from other

Board or Town Employees. It is the policy of the Board to appoint qualified citizens representative of the Town's population to the extent possible.

A non-exhaustive list of significant Board direct appointees includes the following:

- Registrars of Voters (the Town Clerk who also serves as a Registrar, but is not appointed);
- Election Officers for the Town's 21 Precincts, including a Warden, Clerk, Inspectors, and other officers as required;
- Zoning Board of Appeals, both members and associate members;
- Arlington Cultural Council;
- Public Memorial Committee members; and
- Certain Special Police Officers as appropriate.

Further information on each of the aforementioned statutorily authorized direct appointments may be found in Appendix Section A-2. (add definition/MGL)

Town residents, private groups, and/or Town Committees, Boards, and Commissions are all welcomed to request a specific appointment before the Board, but should make such requests in writing to the Office of the Board of Selectmen setting forth the basis for such requested appointment with supporting materials, and prepare to attend a Board meeting to discuss their request. Further information on requests to the Board may be found in the sections of this document discussing agendas of the Board.

D-1. Re-Appointments of Direct Appointees and Holdover Appointees.

The Board, through its Office shall endeavor to notify in writing any presently serving direct appointees of the Board in advance of the expiration of their term of appointment. After receiving such notice, appointees are encouraged, though not required to promptly submit any information to the Board that would assist the Selectmen in determining whether re-appointment should be made or the body should seek other candidates in advance of the expiration of the relevant term.

In the event that an appointee has not resigned, been reappointed or replaced by a new appointee by the date of the expiration of his or her term, such person will be considered a holdover appointee. A holdover appointee shall continue to serve in such appointment with all the duties and responsibilities of such position remaining, but is subject to removal at anytime by vote of the Board.

E. Creation of and Appointments to Committees of the Board of Selectmen

In addition to specific statutorily authorized appointments, the Board may, from time to time create committees, subcommittees, and working groups that report directly to the Board for the purpose of advising the Selectmen on specific issues. These bodies are not authorized to create or establish policy. Rather, the Board charges such bodies, specifically and/or generally with advising the Board either orally or in writing, and then acts upon recommendations of such bodies. Hence, it remains the Board's ultimate responsibility to discharge their obligations with respect to any matter referred to a committee or working group of the Board.

Moreover, work for or membership on such committees of the Board shall not be considered a "town office" for the purposes of the Town Manager Act. As such bodies do not possess authority independent of the Board, any Selectmen's membership and participation on such committees or working groups of the Board is not construed to constitute the holding of multiple offices under §9 of the Town Manager Act.

F. Confirmation of Appointments by Other Town Officials

F-1. Town Manager Appointees

In accordance with the Town Manager Act, Massachusetts General Laws, and Town Bylaws, the Town Manager makes appointments to certain Boards, Committees and Commissions subject to the confirmation of the Board of Selectmen, including, but not limited to the following:

In the interests of efficiency and providing the public the opportunity to provide effective input, for each appointment by the Town Manager to be confirmed by the Board of Selectmen, the Board requests the Town Manager proceed as follows:

1. Submit pertinent information about any appointments due to expire within sixty (60) days of such expirations;
2. Once a potential appointee has been identified, the Town Manager shall submit a letter of intent to the Board regarding any intended appointee two weeks in advance of the next regularly scheduled Board meeting; and
3. A letter requesting confirmation of an appointee will be submitted at the next regularly scheduled meeting following the letter of intent.

F-2. Treasurer Appointments

The Town Treasurer is authorized to appoint an “Assistant Treasurer,” subject to confirmation by the Board of Selectmen. G.L. c. 41 §39A. While the Assistant Treasurer is a Town Employee, for any such appointment, the Town Treasurer is requested to follow the same procedure outline for Town Manager appointments above.

Board meetings and hearings are the primary manner in which the Selectmen as a body conduct their work, both by tradition and operation of law. This section outlines the significant policies and practices of the Board in arranging and conducting meetings and hearings.

A. Notice of Meetings

The Office of the Board of Selectmen, on behalf of the Chairman, is responsible for filing appropriate public notice of any Board meeting or hearing with the Town Clerk and post on the website at least 48 hours in advance, excluding Saturdays, Sundays and Legal Holidays. The Office of the Board of Selectmen, including the Board Administrator, shall take all steps necessary to ensure Board notices comply with requirements of the Open Meeting Law, as well as any other notice requirements germane to a given public hearing or agenda item under the laws of the Commonwealth.

Typically, notice must set forth the following information regarding any meeting or hearing:

- Date and time of meeting;
- Place of meeting; and
- A list of topics the Chair reasonably anticipates to be discussed at the meeting or hearing. (See also Agendas, set forth in §5.C below).

B. Schedule & Location

Unless otherwise set forth on meeting notices, regular meetings of the Board are held at least twice per month on Monday evenings September through June. Meetings are commenced generally at 7:15 p.m., and all business is to conclude by 11:00 p.m. unless extended by Board vote. The location of meetings unless otherwise specified in notices is in the Selectmen's Chambers on the second floor of Town Hall.

During July and August, meetings may be scheduled on a monthly basis. The Board shall not meet on days designated as legal holidays. Meetings falling on a legal holiday are cancelled or rescheduled for another date at the discretion of the Board.

B-1. Hearings & Special Meetings

Hearings (conducted separately from regular meetings) and special meetings of the Board may be scheduled at the discretion of the Board regarding any matter within their jurisdiction. Subjects of special meetings or hearings may include matters such as setting Board and Town Manager goals and objectives for the year, or warrant articles where regular meetings would not provide sufficient time to address all appropriate articles within a given Town Meeting cycle.

Any special hearings or meetings follow the normal notice procedure absent an emergency, or pertinent provisions of law setting forth further notice criteria than the Open Meeting Law.

B-2. Emergency Meetings

An “Emergency Meeting” is defined by law as a sudden, generally unexpected occurrence or set of circumstances demanding immediate action. Emergency meetings of the Board may be called by the Chairman or any Member of the Board through the Board Administrator consistent with the requirements of the Open Meeting Law, which allows a meeting in special circumstances even though no notice was previously posted.

However, a notice should be posted at the earliest possible juncture; all Board members must be notified by the Board Administrator; and a majority of Selectmen must agree to convene an emergency meeting.

C. Agendas

C -1. Responsibility

The Chairman of the Board holds the responsibility for coordinating and planning the regular agenda utilizing digital meeting management. Each of the Members of the Board and the Town Manager may request items be placed on the agenda, but must communicate their desired agenda items both to the Chair and the Office of the Board of Selectmen. Ultimate authority over what items are to be placed on an agenda is vested in the Chair. However, any dispute with respect to agenda items requested, but not placed on an agenda, by members of the Board or the Town Manager may be raised during “new business” within a Board meeting.

The Board Administrator, after consultation with the Chairman, shall schedule a realistic time period for each appointment, interview, conference, or other scheduled item of business and shall confirm all appointments including time allotted. Further, the Chairman, in consultation with the Board Administrator and the Town Manager, shall decide the meeting date on which any given agenda item shall appear.

C-2. Timing

All items, including background and reference materials for a regular meeting agenda must be submitted to the Office of the Board of Selectmen by twelve noon on the Wednesday preceding the meeting so an agenda may be posted in a timely fashion.

Items of emergency or strictly routine nature that develop after closing of the agenda may be considered under “new business.” However, persons seeking action or approval from the Board such as license and permit applicants are advised that the Selectmen will not ordinarily place untimely requests on the agenda due to lack of diligence by such applicants.

Moreover, to the extent feasible, the Office of the Board of Selectmen shall provide a revised agenda enumerating emergency or other authorized items added after the closing of the agenda, in advance of the meeting.

C-3. Format and Content

Agenda items will appear in a Board approved format. See Sample Agenda attached in Appendix Section A-3. An agenda item should be followed by the name of the person or board or committee requesting the item to be placed on the agenda.

C-4. Release and Distribution of Agenda Materials

For regular meetings the complete agenda with supporting materials (unless unavailable) shall be available to the public and the press at the Selectmen's office or on the website no later than noon Friday before the meeting date and shall be posted on the Town's website that same day. Similarly, the official weekly agenda will be available to the Selectmen, the Town Manager, and Town Counsel on Thursday evening. All supporting materials (unless unavailable) including copies of the minutes and all important correspondence, reports and other pertinent background materials shall be electronically accessible to the Members of the Board, the Town Manager, and Town Counsel with the agenda.

The special meetings of the Board shall conform insofar as practical to the agenda for the regular Monday meetings. Distribution shall be as outlined above to the extent possible.

Additional copies of the agenda shall be available in sufficient quantity to distribute to those requesting a copy and to the people in attendance at the meetings.

C-5. Notification of Interested Parties

The Office of the Board of Selectmen shall notify persons who are directly involved in the issues to be discussed by the Board of Selectmen. This shall include items requested by the Town Manager.

D. Meeting and Hearing Procedures

Meetings are to be conducted in accordance with generally accepted rules of parliamentary procedure. It is the Board's practice that application of such procedure be on a relatively informal basis, due to the size of the group and the desirability of flexibility in the expression of opinion. Robert's Rule of Order is used as a guide in matters requiring clarification or definition.

A quorum shall consist of three members of the Board. As a practical courtesy, action on critical or controversial matters, the adoption of policies or the making of critical appointments shall be taken whenever practicable only when the full Board is in attendance.

Actions and decisions shall be by motion, second and vote. Split vote will be identified by name. When only three members of the Board are present or in the case of nominations, no second will be required prior to Board action.

D-1. Remote Participation

The Board approves the use of remote participation by Members of the Board within the bounds allowed by the Open Meeting Law. All votes taken when any Selectman participates remotely shall be conducted by roll call vote.

E. Citizen Participation at Board of Selectmen Meetings

Unless directly involved in a public agenda item or within a hearing, citizens may only participate at a regular Board meeting at the discretion of the Chairman, or upon request of any member of the Board.

A Public Comment or “Citizens Open Forum” period will be scheduled at each meeting to hear concerns of the general public (some exclusions may apply). Citizens are welcome to raise new issues for future board agendas, identify community problems, and comment on past, present or future board agendas.

The issues raised will not typically be debated at such time.

Further Citizen’s Open Forum shall be conducted under the following rules:

1. Persons wishing to participate in Citizens Open Forum should sign up to speak on an appropriate Forum List prior to the commencement of the meeting and will generally be recognized in order;
2. There will be no vote or other actions by Board members based on Forum public comments;
3. Each speaker may speak only once for a maximum of three (3) minutes;
4. As noted by the Attorney General’s Office, each speaker must first be recognized by the Chair before speaking;
5. Before speaking participants should state their name, address, and if known, precinct; and
6. All speakers will adhere to our commonly agreed upon standard of civility, specifically:
 - a) treat others with respect;
 - b) avoid personalities, refraining from disparaging remarks about any person or group, including employees; and

- c) refrain from any conduct which substantively disrupts the Board's ability to conduct business.

Additionally, members of the public may present the Board with materials in support of their comments. However, presentation of audiovisual materials will only be allowed at the discretion of the Chair and must be provided to the Office of the Board of Selectmen by twelve noon on the Wednesday prior to the meeting.

E-1. Public Recording of Meetings

Board of Selectmen Meetings are broadcast and recorded by Arlington Community Media, Inc., which provides members of the public free access to such recordings. However, audio and video recordings of meetings by members of the public are permitted under State Law so long as such recording does not interfere with the conduct of the meeting. By law, the Chairman must be notified by any member of the public of their intention to record a meeting before the meeting commences. The Chair shall announce any such personal recordings as proscribed by law.

F. Executive Session

If practicable, Executive Sessions, other than a few minutes in duration, will be scheduled only at the end of the Open Meeting. Only items clearly allowed under the Open Meeting Law shall be included in Executive Session. An Executive Session shall not be held unless the Board has first convened in Open Session for which notice has been given. However, nothing herein shall restrict the Board from entering Executive Session at any time for any lawful purpose not previously reasonably anticipated by the Chair. A majority of the members must vote to go into Executive Session and the vote of each member must be by roll call recorded in the minutes. The mover must specify in the Open Meeting the grounds on which Executive Session is sought. Before the Executive Session, the Chairman must state whether or not the Board will reconvene in Open Session.

- Executive Session Votes

All votes taken in Executive Session shall be recorded roll call votes made part of the records of the Executive Session.

- Executive Session Records

The Board must maintain accurate records of both Open Meetings and Executive Session. At a minimum, the records must set forth "the date, time, place, members present or absent and action taken." Executive Session records shall remain confidential only "so long as the publication may defeat the lawful purpose of the Executive Session, but no longer." Thereafter they shall be open to the public. As such, the Board should periodically review its executive session minutes every three (3) months and vote to maintain confidentiality or release such records for public review following recommendations by Town Counsel.

G. Minutes

The Board Administrator shall draft minutes and shall distribute such minutes to the Board. Minutes are circulated to the Board on or before any Friday preceding a regular meeting for approval at such next regular meeting of the Board.

On request of any Selectman, approval of minutes submitted shall be postponed for one week to enable such Selectman to propose and circulate proposed amendments. Proposed amendments must be circulated to each member not later than the Friday preceding the meeting at which approval is sought.

Minor typographical corrections may be made with respect to minutes otherwise in order for approval, without advance circulation of such corrections or Board approval.

Minutes shall contain a statement of all actions taken by the Board and of the disposition of all proposals for action. Discussions preceding action need not be detailed in the minutes.

Approved minutes shall be recorded and filed consistent with Town Bylaws and Massachusetts Public Records Laws. Minutes of executive sessions shall be separately kept and recorded in accordance with the above procedures.

H. Electronic Communications

Electronic communications provide a powerful and efficient resource for Board members' communication. However, e-mail also poses risks of both perceived and actual Open Meeting Law violations. Accordingly, in keeping with the best current practices in government transparency and Open Meeting Law compliance, Selectmen should endeavor to:

- Refrain from any electronic communication exchanges between a quorum of members of the Board regarding Town business;
- Limit electronic communication exchanges between any members to discussion of procedural items regarding agendas and scheduling, etc.; and
- Refrain from debating policy or conveying opinions on matters before the Board via electronic communication among members of the Board whether or not among a quorum of members.

Town Meeting is the historic form of government for towns throughout the Commonwealth. Arlington has adopted a “representative” form of town meeting pursuant to G.L. c. 43A, in which 252 elected citizens of the Town from 21 precincts serve as Arlington’s legislative body. The Board of Selectmen serve many important functions in the Town Meeting process – opening the warrant, holding substantive hearings on proposed warrant articles to be considered at Town Meeting, and ultimately participating in Town Meeting to present the Board’s recommendations.

A. The Warrant

For the annual Town Meeting, the meeting cycle begins in December with the opening of the “Town Warrant,” which is the instrument for calling a Town Meeting and must contain a list of all items to be acted upon at Town Meeting with reasonable specificity. Pursuant to Title I, Article 1 §2 of the Town Bylaws, the Town Warrant for annual meetings opens no later than the first week of December, and closes no earlier than the last Friday of the following January. The Board must post due notice of the opening and the closing of the Warrant consistent with the laws of the Commonwealth and the Town Bylaws. Further, all articles to be included are managed by the Selectmen. Hence each article, regardless of its proponent must be submitted in writing and electronically to the Office of the Board of Selectmen before the closing of the Warrant. There are three means by which articles may be submitted:

1. The Board of Selectmen place an article on the Warrant by vote.
2. The Town Manager, an official Town board, commission, committee, or department head requests placement of an article on the Warrant. These requests are honored as a courtesy and do not reflect the Board’s position on the article itself.
3. Ten Registered Voters submit an article by petition. Registered voters are required to sign the petition by hand and each signature must be accompanied by an address.

Citizen proponents of warrant articles should, as a precaution, obtain more than ten signatures of registered voters supporting their petition. Further, citizens are strongly encouraged to contact Town Counsel in a timely fashion in order to ensure their proposed articles seek action within Town Meeting’s authority, are provided to appropriate Town bodies for hearings, and are in best practicable form.

Following the closing of the Warrant in January, the Selectmen arrange the format and order of the Warrant articles. The Board may receive input from other Town bodies and officials, but ultimate discretion remains vested with the Selectmen.

As a final note, some articles placed on the Warrant under the Selectmen’s jurisdiction may require extra considerations, such as notice to owners of real property in instances of eminent domain takings. In such instances, the Office of the Board of Selectmen is charged with providing notice or taking other extra measures as may be required.

B. Warrant Hearings & Report of the Board of Selectmen

After the close of the Warrant, the Board of Selectmen conducts hearings on warrant articles within their jurisdiction. Matters within the Board's jurisdiction are generally any article not subject to review by the Finance Committee (articles seeking appropriations of funds) or the Arlington Redevelopment Board (zoning articles).

Board Warrant Article Hearings may be conducted as a part of regular meetings of the Selectmen, or as special meetings, but generally follow the same procedures and rules set forth in Chapter 5.

The objective of Board Warrant Article Hearings is to develop recommendations of the Board on each article before it by majority vote, to be set forth with the comments in the Report of the Board of Selectmen in advance of Town Meeting. Proponents of articles under the Board's jurisdiction should attend and be prepared to present arguments in favor of their article at the appointed hearing. Failure to present at the Board Warrant Article Hearing deprives the Board and the Town the opportunity to fully examine and debate the issues to be advanced by the proposed article. As such, absent good cause shown, the Board will not recommend positive action on any article which fails to be presented at its appointed Board Warrant Article Hearing regardless of the substance of such articles.

Where the Board supports taking some action contemplated by an article, regardless of how it appears before the Board, the Selectmen, with assistance of Town Counsel, shall develop a motion for Town Meeting to take a specific action. Where the Board opposes an article, it will recommend a vote of "no action" to Town Meeting in its report. While respecting Town Meeting's prerogative, the Board especially urges the Moderator and Town Meeting Members to procedurally and substantively support "no action" recommendations in such instances where article proponents fail to present at the appropriate Board Warrant Article Hearing and thus leave the details of their proposal to be presented for the first time on Town Meeting floor.

C. Town Elections

Generally held on the first Saturday of April, the Town Election is called by the Selectmen, and serves to elect Town officers including Town Meeting Members, as well as place appropriate ballot questions to the voters. See Town Bylaws, Title I, Article 1, §1. Town Elections are technically part of the annual Town Meeting, but no other substantive business, such as actions on warrant articles are taken at such time as Town Meeting Members have yet to be determined until polls are closed and votes counted.

Both polling hours and locations are designated by the Board of Selectmen. Polling has generally opened at 8:00 a.m. and closed at 8:00 p.m.

Election officers working the polls are appointed in accordance with G.L. c. 54 §12 and include the following for each precinct:

- Warden
- Clerk
- Inspectors
- Tellers (known as “reliefs”).

D. Town Meeting

The legislative business of Town Meeting is convened at a time and place designated by the Selectmen, usually on the fourth Monday in April for consideration of all articles in the Warrant, except election. See Town Bylaws, Title I, Art. 1 §1.

Town Meeting has been historically held at Town Hall, starting at 8:00 p.m. with adjourned meetings held on the following Wednesdays and Mondays, or as otherwise voted by Town Meeting, until the conclusion of all business.

The Town Moderator calls Town Meeting to order, and generally presides over Town Meeting. The Chairman of the Board of Selectmen is the spokesman for the Board at Town Meeting and presents the Board’s positions as voted in the majority and codified in the Report of the Board of Selectmen. The Chairman may however designate any other member of the Board to speak on the Selectmen’s behalf, and it is the position of the Board that individual Selectmen should have the privilege to be recognized by the Moderator at Town Meeting regardless of their status as Town Meeting members.

Further information on the conduct of Town Meeting may be found throughout Town Bylaws, Title I, Article 1.

E. Special Town Meeting

Special Town Meetings are those meetings of the Town’s legislative body outside of the schedule and cycle for the annual Town Meeting. A Special Town Meeting may be called at the discretion of the Selectmen and the call is also issued by a Special Town Meeting Warrant.

A Special Town Meeting must be called by the Selectmen upon petition of 200 registered voters within forty-five (45) days of receipt of said petition.

The Warrant for a Special Town Meeting must be posted for notice in accordance with all legal requirements. The time and place of the meeting is determined by the Selectmen. The Warrant is also usually kept open for one business day.

Finally, it should be noted that for any Special Town Meeting, articles by citizen petition must be submitted with the signatures and addresses of one hundred (100) registered voters rather than then ten (10) required for the annual Town Meeting. However, in nearly all other respects, Special Town Meeting functions with the same procedures as the regular annual Town Meeting.

Detailed license and permit policies and requirements are set forth in the Selectmen's License & Permit Policy Manual, available in the Selectmen's Office. The following fee amounts have been approved by Town Meeting (Title IX, Article 3, § 6 of the Town Bylaws) or are otherwise authorized by the General Laws and/or approved by the Board:

For each of the above-listed licenses, there is a separate application process and detailed policy set forth in the Selectmen’s License & Permit Manual. However the following general policies and guidelines apply to all alcohol licenses in Arlington.

A. General Statement of Policy

The Board also intends that all service and consumption of alcohol in the Town of Arlington be done responsibly and in conformance with all legal requirements. In service of these goals, as previously noted, licenses will be issued under the Policies, Rules, and Regulations specific to each type of license as set forth in the License & Permit Manual.

B. Timing & ABCC Approvals

As a general matter, interested parties should begin the process of applying for any alcohol license with obtaining the appropriate application forms from the ABCC available at: WWW.MASS.GOV/ABCC

The Office of the Board of Selectmen will assist applicants to the extent feasible, but a *fully completed package must be received* in order for any license application to be placed on the Board's agenda. Applicants should allow *8-12 weeks* from the submission of a complete package for the Board to process and approve any license, and for the ABCC to confirm same. Applicants are reminded that a Selectmen-approved license is not valid until the ABCC confirms same.

C. Safeguards & Penalties

Applicants and license holders are encouraged, train staff in alcohol service safety programs. Applicants who certify that they have received such training may be eligible for a discounted license fee.

Violations of laws, regulations or Board policies regarding alcohol licenses may result in suspension, revocation, or denials of future licenses by the Board of Selectmen, the ABCC, or both, as well as other civil or criminal penalties where appropriate.

D. Changes to Licenses

License-holders are required to update their license with the Board and the ABCC. Questions about changes to licenses should be directed to the Office of the Board of Selectmen.

E. Alcohol Policy Changes

Persons seeking any change to alcohol policies should contact the Office of the Board of Selectmen and Town Counsel.

The Board of Selectmen serve as the primary regulatory authority over streets throughout Arlington, including establishing Traffic Rules and Orders, regulating all public parking, and serving as the custodian of public ways, sidewalks and their appurtenant fixtures, such as islands, benches, and streetlight poles.

A. Public Ways

Public Ways are those streets in Arlington which were laid out and accepted by the Board of Survey or other appropriate authority. The Selectmen no longer act as the Board of Survey, but maintain a wide range of responsibilities relative to traffic rules, parking, permits, licenses, approvals, and enforcement of regulations on the use and maintenance of public ways. See e.g., G.L. c. 40 sec. 22 (traffic rules and orders), Title III of the Town By-Laws (Public & Private Ways). These duties and responsibilities include, but are not limited to:

- Promulgating Traffic Rules and Orders;
- Establishing parking policies and regulations;
- Permitting uses of Public Ways such as outdoor seating for cafes and restaurants, street performances, posting of temporary notices/signage;
- Setting and enforcing waste and snow removal responsibilities; and
- Setting and enforcing Minuteman Bikeway hours in Arlington.

A-1. Traffic Rules & Orders, Parking, and Advisory Committees

It is the policy of this Board to establish Traffic Rules and Orders, which manage the wide range of traffic, transportation, and parking concerns and perspectives in Arlington, principally to ensure public safety and accessibility, but also to reasonably balance other important, (and sometimes competing) community goals.

To this end, the Selectmen will continue to be responsive to resident input, but also employ the expertise of the Parking Committee and Transportation Advisory Committee to carefully study and make recommendations on appropriate issues.

Traffic Rules & Orders and the Board's Parking Policies and Regulations may be found on the Town's website or through the Selectmen's Office.

A-2. Use of Public Ways and Fixtures for Publicity & Promotion

As the custodian of public ways and certain fixtures, such as streetlight poles, the Board permits temporary posting or installation of notices, signs, or banners to publicize upcoming events or to designate or promote the unique commercial, historic, or cultural character or status of an area or district within the Town.

Interested parties should contact the Selectmen's Office for further information and ensure that notices, signs, or banners posted on any Town-owned fixture or property comply with all relevant Zoning and Town bylaws as well as other policies of this Board.

B. Private Ways

So called "private ways" primarily consist of streets which were laid out by a public authority but never accepted as a public way.² Abutting landowners have shared property interests in private ways and the general responsibility to maintain them, but must allow the public a right of access over such ways.

B-1. Betterments.

Pursuant to G.L. c. 40 § 6N, the Town has adopted a bylaw by which abutters may petition the Selectmen for repairs to private ways (Title III, Art. 3), commonly known as "betterments." Interested residents should contact the Selectmen's Office for a betterment packet detailing the process, costs, and limitations of betterment orders.

C. Public Utilities

In its capacity as Arlington's Board of Public Works and Water and Sewer Commissioners, the Selectmen hear requests by public utilities for permissions to access and excavate the streets for appropriate purposes, as well as overseeing other important public utility matters such as removal of double utility poles in Arlington. This Board understands and appreciates the needs of utilities to maintain and upgrade their infrastructure, as well as to respond to emergencies for the safety and service benefit of Town residents. However, we strongly encourage public utility representatives to coordinate projects and information both within their own parent companies (for instance, to be prepared to address a broad range of questions and concerns when before the Board), and with the Department of Public Works' regarding their roadway improvement projects in the interests of maximizing the Town's investment in roadway infrastructure and minimizing disruptions to residents.

² The majority of "private ways" in Arlington are more precisely defined as "statutory private ways," and distinct from the less common "true private ways," which were never laid out by a public authority.

Town Manager Position, Profile Statement/Job Description

The Town of Arlington is located six miles northwest of Boston and is home to approximately 42,000 residents living in a compact urban community of 5.5 square miles. Because of its proximity to Boston, Arlington residents are able to enjoy its diverse neighborhoods, active civic life, and good public transportation options. Arlington is bordered on the east by the cities of Cambridge and Somerville, on the north by the City of Medford and the Town of Winchester, on the west by the Town of Lexington and on the south by the Town of Belmont. Arlington is more affordable than many of its neighbors and thereby attracts residents who value its geographic location and quality-of-life.

The Town of Arlington was originally settled in 1635 as a village named Menotomy, meaning “swift running water.” In 1807, the name was changed to West Cambridge and renamed Arlington in 1867 in honor of the Civil War heroes buried in Arlington National Cemetery.

Arlington, which offers a diverse mix of residential settings and popular retail and entertainment options, has steadily evolved from a working-class community to a more affluent suburban town. Residents have a lot invested in the Town and come to expect good municipal services for a reasonable tax bill. The community has a strong history of supporting specific initiatives to improve the quality of these services. This support is evidenced by recent tax override initiatives to upgrade all the school facilities, and to maintain quality services.

Organizational Design and Governance

Arlington is a full service community with an annual budget of \$120 million; it has approximately 400 town employees and 600 school employees. The non-partisan Board of Selectmen serves as the policy-making body of town government. The Selectmen serve for three-year staggered terms. The next election is April 2012, at which two members are up for re-election. Since 1920, Arlington has been governed by a Representative Town Meeting, to which 252 individuals are now elected from the Town’s 21 precincts. Town Meeting Members serve three-year staggered terms. It is common for members to serve for many years. Town Meeting, which runs twice weekly for many weeks from April to June, is the Town’s legislative body.

Town Meeting is advised by an appointed 21-member Finance Committee. The Committee is Town Meeting’s independent advisor on budgets and appropriations. It also advises on a full range of legislative matters presented to the Town Meeting at either its Annual or Special sessions. Arlington voters elect the five-member Board of Selectmen, the Town Moderator, Town Clerk, Town Treasurer, Board of Assessors, School Committee, and Housing Authority.

In 1952, the Town adopted a Town Manager form of government, creating a chief executive officer who reports directly to the Board of Selectmen. The Board of Selectmen appoints the Town Manager and also the Comptroller, the Board’s Administrator, the Arts Council, Zoning Board of Appeals, Board of Registrars of Voters, Historic District Commissions, Arlington Preservation Fund, Fair Housing Advisory Committee, Public Memorial Committee, Cyrus Dallin Art Museum Board of Trustees, and Economic Development and Tourism Committee.

The Town Manager, in turn, appoints a range of staff and department heads including Town Counsel and the heads of all the major operating departments. Additionally the Manager, with the approval of the Selectmen, appoints members of 14 boards and committees vesting in the Manager considerable influence in shaping the community and its priorities. Added to this mix of elected and

appointed officials and decision-making processes is an active volunteer network. Any Town Manager must be skilled at navigating this complex organization. Successful leadership requires a strong personality,

professional skills, resourcefulness, and adept political talents to work with independent elected officials, legislative processes and schedules, and influential citizen groups.

Challenges for the Town Manager

As a Standard & Poor's AAA rated community, officials and residents have come to expect a well-managed municipal service operation. Since the imposition of Proposition 2 ½ in the early 1980s, Arlington has been disadvantaged by the state aid formulas which has necessitated annual increases in property taxes. This situation was ameliorated somewhat by the growth of the regional economy in the 90s, but now Arlington is facing significant problems as state aid has declined and local revenues have stagnated. Responding to, and managing in, this economic environment is the core responsibility of the Town Manager. The Town's structural deficit for the past six years and for the next three to five years has been addressed through a combination of two tax overrides (2005 and 2011), long range financial planning, tight budgets, health care reform measures, and productivity improvements. In 2012 the Town will be getting its employee and retiree health insurance through the Commonwealth's Group Insurance Commission (GIC). It will be the responsibility of the Manager to monitor successes and failures of that move and to report back to the Town leadership after each year's involvement.

Some of the more significant future challenges include:

Fiscal Challenges

While the Town's fiscal position should be stable for the next three to five years, the Town's underlying structural deficit has not abated. Developing a more sustainable financial position through long-term revenue growth and more cost effective service delivery is the greatest challenge.

Economic Development

In order to achieve long-term growth in sustainable revenues, a focus has to be placed on economic development. Providing leadership and guidance in a planning process that will promote appropriate business development so as to expand and diversify the Town's tax base is crucial. Arlington's tax base is 94% residential and only 6% commercial.

Public Infrastructure

The Town has made a significant investment to upgrade its infrastructure, particularly its school buildings, but much more remains to be done. Aging buildings, such as the Community Safety Building, Central Fire Station, and High School, along with aging water and sewer systems, streets and sidewalks, and parks will all require substantial investments.

Employee/Union Relations

The Town Manager is responsible for all municipal union negotiations. Given the Town's limited fiscal resources, and pension and health care ongoing costs and accrued liabilities, maintaining competitive salary schedules and positive employee relations is a challenge.

Management Team Development/Retention

Over the last several years the Manager has hired several key department managers. The Manager needs to ensure that there are appropriate professional development opportunities for the entire management team. In addition, there will likely be several key management positions turning over within the next five years. The ability to recruit, lead, develop, and retain a cohesive management team is crucial. It is imperative that the Manager be committed to continuing Arlington's tradition of hiring on the basis of merit, utilizing fair and equitable hiring practices in all his appointments.

School-Town Relations

School-Town relations may at times be strained by fiscal and policy concerns, however, as a community which values education it is important for the Town Manager to encourage strong professional and personal relations with school leaders and policy makers.

Transparency/Citizen Involvement

The new Town Manager must encourage an open and transparent government to ensure a robust community debate. Mobilizing and involving citizens to assist in problem solving is an important mission for the Town Manager. The search for talented citizens to serve on board and commissions should be a continuous process. The Town Manager should seek citizen input and encourage Department Heads to likewise solicit input and feedback from the community.

The Ideal Candidate

The Board of Selectmen seeks a Town Manager willing to commit to a tenure long enough to allow for the implementation of policies and procedures that will reshape the organization to the long-term fiscal realities facing the community. In seeking only its sixth Town Manager since 1952, Arlington is accustomed to long tenured leadership that provides stability, structure, and focus to the administration. Arlington requires an individual who is skilled in providing administrative leadership within a complex governance structure that includes a number of elected administrators, a large elected legislative body, an elected Board of Selectmen, and a professional staff that serves a well- educated and active electorate that has high expectations. The Board seeks a Town Manager who will stand firmly behind goals and objectives that improve the community during a tough financial period and additionally who has the ability to lead through a crisis such as a weather related state of emergency.

The following attributes are sought in the ideal candidate:

Personal

The new Town Manager must be a genuine team leader able to work with other Town officials in a participative municipal environment and have experience working in a community with a history of proven customer service to a demanding but supportive electorate. The New Town Manager should be the spokesperson and representative for the Board of Selectmen and administration to the community and the region. The successful candidate must be able to project the influence of the position and represent the Town in policy forums.

A creative goal oriented, but genuinely inclusive leader capable of exerting influence and direction in a manner that shares successes with the elected officials, professionals and volunteers. The successful candidate must lead by example and commitment, as well as by the real, or implied, power of the position. The candidate must support and live by the ICMA Code of Ethics and is able to promote strong ethical standards throughout the organization. The Town Manager must have the skills to engage a well educated citizenry. The Manager must be a well prepared advocate with desire and capability to work with the Town Meeting and citizen boards. The ideal candidate will have the technical, human relations and political skills to advance the best agenda for the community.

Professional

A proven municipal administrator with considerable leadership skills and appropriate education. The ideal candidate will have at least a bachelor's degree, but preference is given to a master's degree in public administration or a closely related field. A minimum of three-years experience in municipal management is required. A solid record of professional development and training is required. Knowledge of relevant state and federal laws is expected.

The successful candidate must be a well-rounded and a technologically savvy administrator with a track record of managing complex customer service organizations within constrained finance resources.

Financial management skills are vital to this position. Municipal planning, labor relations and representational skills are also strengths important to this position. Strong working knowledge of financial management systems and technology, in general, is required.

The successful candidate must be a communicator with a proven track record of informing the elected leadership of critical policy and service initiatives. The new Town Manager must be capable of keeping all officials comprehensively informed, while remaining detached from the political process and ensuring that professional administrative staff maintains a similar detachment.

The new Town Manager must be an experienced municipal manager with an understanding of how to lead a complex community and have the ability to develop a vision for Town government. The successful candidate cannot be a politician in the classic sense, but must have a clear understanding of the political process in local, county, state, and federal governments. The Town Manager must be both strategic and tactical. He or she must be experienced in working effectively in an environment that requires impartial guidance to elected officials to accomplish both the long-term strategic needs of the community as well as the short-term tactical steps necessary to deliver services.

The Town Manager cannot be a mere caretaker but must be able to capitalize on opportunities. He or she must be creative and willing to advocate for issues that improve the community.
