

To Arlington Board of Selectman,

I am writing to request permission to hold a Sidewalk Sale in Front of the Arlington Body n Brain yoga studio at 325 Broadway Arlington.

We would like to hold the event on Saturday, April 16th from 10-4pm.

We would set up in front of the yoga studio, leaving adequate walkway space on both sides. We would use 8, 6ft. tables

I have attached a diagram and pictures to show the exact location.

We held a similar event last year and would have the same set up.

The event is to benefit a nonprofit organization called ECO(Earth Citizen Organization) which believes in global responsibility.
