WARRANT ARTICLE HEARINGS

Articles for Review:

Article 24-Bylaw Amendment/Camping on Public Property

Town Counsel Heim stated that this article will still allow for the public to apply for a permit before camping in parks or other town-owned land. This bylaw does not depart from Health and Human Services or Arlington Police Department's process when it comes to camping. It doesn't divest them of their power, but it provides uniformity and clarity for anyone who wants to encamp on public lands.

Stephen Revilak, 111 Sunnyside Avenue raised concern that this warrant article could criminalize the homeless in Arlington. He stated he has very mixed feelings about this article and feels it clearly affects the homeless population camping out at Alewife.

Town Counsel Heim said the goal of the bylaw was to create a fair process that everyone could abide by and Town personnel could follow.

Mr. Dunn moved "favorable action" on this Article.

Article 26-Email Accounts for Members of Public Bodies

Mr. Christopher Loreti presented the article regarding Town Officials transparency. He asked that the Town provides email accounts to members of high-profile town boards, such as the Board of Selectmen and the School Committee for exclusive use of town business. He stated that this is not an attempt to force anyone to use email, but it is to say if you use email you should use a town email and not a personal email. Mr. Loreti argued that a standardized email format would make it easier to contact board members, but that wasn't his main point for proposing the article.

The more significant reason is that they are municipal employees and are subject to public records requests. He feels it is an easier process if it is managed through the Town's IT Department and not personal emails.

Mr. Byrne moved "No Action" on this Article.

SO VOTED (5-0)

Article 27-Lobbying by Public Officials

Mr. Loreti stated his goal was to make sure Town Officials were lobbying for things that Arlington as a community desired, not just the individual official's priorities. Mr. Loreti feels that if you are taking an official position, it should be done publicly.

After a discussion with Mr. Loreti, the Selectmen disagreed with his definition of lobbying.

Mr. Dunn moved "No Action" on this Article.

NEW BUSINESS

Town Manager Chapdelaine reported the current 2015-2016 Snow/Ice Expenditures and the totals for the season are as follows:

- 7-snow/ice events (5 snow events, 2 ice events)
- 25"+ total snowfall
- Town appropriation for snow/ice \$846,000
- Expended to date: \$727,340 broken down as follows:
 - \$348,550 in salt purchases
 - \$131,370 vehicle parts and repairs (this includes repairs to equipment resulting from last year's historic snowfall - many repairs were deferred to this year due to budget constraints of last year)
 - \$126,230 DPW overtime expenses

\$121,190 Contracted Plowing (contractors were called in on 5 of the 7 events)

Mr. Chapdelaine stated that anyone who said the proposed 2016 school budget represented a cut was wrong. What is being proposed is a significant investment and commitment in the Arlington Schools. Mr. Chapdelaine addressed the increase of \$3,427,219 in the newest budget recommendation for 2016 as evidence of a growing school budget. The total school budget of \$57,001,333 represents an increase of 6.4 percent from the previous year's budget of \$53,574,114. The Finance Committee presented to Town Meeting in April 2015 a projection for an increase of 5.1 percent for total school budget this upcoming year. Mr. Chapdelaine feels as if this is a significant and dramatic increase in school funding. The school district's initial budget proposal asked the town for an increase of 11.4 percent, or more than \$6 million.

Mrs. Mahon stated that she had heard that State Senator Donnelly had sponsored a Pension Increase Retirement Benefits for Widows. She asked Town Manager Chapdelaine to look into it and report back.

Mrs. Mahon congratulated Arlington High School Basketball Coach John Bowler for winning his 100 game. Mr. Bowler is a long time resident and has done a wonderful job with coaching his team.

Mrs. Mahon stated that on Saturday, February 20th at 6:00 p.m. friends, former and current players and former and current coaches will get together at the Ed Burns Area to honor Dick DeCaprio, a longtime coach and former player at Arlington High School.

Mr. Curro stated he attended a Partnership - Center for the Arts meeting which Andrea Nicolay, Director of Libraries, held at the library on Monday, February 1st. They discussed the proposed Arlington Cultural District Application content and the roles of the Managing Partnership in working toward completing the application. A Subcommittee was created to plan a public meeting and a general discussion about the application timeline.

Mr. Curro reported that he had attended the Boston co-working company grand opening. Workbar's newest Arlington location is in the former Theodore Schwamb Mill, owned by Mirak Properties. It is located at 1167 Mass. Avenue on both public transit and the Minuteman Commuter Bikeway. The entire former mill was renovated and currently has 30 members and that number is beyond expectations for the coworking space. Mr. Jacobsen, CEO of Workbar anticipates this location will fill a need and want for new businesses looking at Arlington. Mr. Curro stated it is a very impressive space and encourages everyone to stop by and see the beautiful renovations.

Mr. Curro stated he will be attending the Long Range Planning meeting tomorrow morning.

Mr. Dunn reported the latest Minuteman Update is that (7) towns have agreed so far out of (15) for the new regional agreement including Arlington. Sudbury voted to leave the district while the other (5) haven't announced their position. Mr. Chapdelaine stated that whether or not it is approved, the Superintendent is going to ask his board to put forward the building project, on March 15th. The board will then have 60 days to respond. The Special Town Meeting that they open tonight will fall into those 60 days.

Mrs. Mahon moved to adjourn at 10:10 p.m.
