RE: Town Wide Yard Sale in Spring 2019

To promote reuse, sharing, and the re-distribution of material goods among neighbors and within the Town, DPW proposes to host a town-wide yard sale similar to events held in neighboring communities.

The Town of Woburn could stand as a model: The yard sale is held one spring Saturday, with residents registering their sale address through a central department. A \$10 fee is collected at the time of registration. A map of all the yard sales is created and made available to the public on the day before the sale. Woburn provides the registration revenue to their Recreation programs. DPW proposes raising money for Arlington's award winning School Green Teams.
