To whom it may concern,

I am writing to recommend the services of the New England pipe restoration.

We hired NE Pipe to rehab a section of 6" sewer main. They completed the job in a timely fashion and to our great satisfaction. The crew was professional, punctual, and presentable. The work site was kept neat and orderly and much attention to detail was given. They also provided camera work for us as well which was provided at the same professional level as their pipe work.

I'm happy to recommend the services of NE Pipe restoration. If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Jared Kelley", is written over a horizontal line.
