Hi,

I am a resident of Wollaston Ave, up in the Heights. I wanted to write to indicate strong support for the ADU proposal, to allow their limited use in our town.

I know it doesn't solve the problems that drive our housing crisis in Metro Boston – those are big, and will take many measure and much time to make better. But this is a start, and it helps some people, often seniors, and I see the risk of abuse being both minimal and able to be addressed when spotted with as-needed regulatory changes.

Good luck with your meeting, and I very much hope you choose to put your support behind this measure.
