

Arlington Special Town Meeting — Motion to Amend

ARTICLE NO. 5

Dated: 5/4/2024

I, Rajeev Soneja, do hereby submit the following Motion to Amend Article 5(STM):

To amend the main motion by adding the following clause after the last WHEREAS clause in the main motion:

WHEREAS, we, as members of the Arlington community, must also acknowledge that the actions of Hamas and the state of Israel do not reflect the views of Arab, Muslim or Jewish people in Arlington;

Comment:

As evidenced within the AHRC listening session report, actions by foreign entities have been tied to views associated with identities of individuals within the community. The addition of this clause emphasizes that support for this Resolution encompasses a diverse section of the Arlington community: across faiths, including but not limited to: Christian, Muslim, Jewish, Hindu; reflects a multitude of ethnicities, and includes people of many nationalities and immigrant status

Respectfully submitted,
/s/ Rajeev Soneja
