Vision of Student as Learner

Students will be lifelong learners and critical thinkers who are motivated, welcoming of a challenge, resilient, and exhibit a curiosity about the academic content and the world in which they live.

These characteristics will be demonstrated by students' ability to:

- work independently and collaboratively
- analyze and synthesize information from a variety of sources
- problem solve by creating and investigating inquiry questions
- participate in rigorous discourse
- develop and defend arguments based on evidence
- apply knowledge and understanding to their everyday life across content areas
- create original work and new questions of inquiry (the “new questions of inquiry” part is redundant to third bulleted item) replace with assess

Vision of Student as Citizen

Students will be empathic, responsible, and active members of a local and global community, as demonstrated by their ability to:

- communicate with each other in culturally responsive ways
- develop self-awareness and self-understanding
- think critically and reflect upon the choices they make and the impact they have on society and the environment
- apply an understanding of their role in the local and global community through personal action
- act responsibly by recognizing and working to resolve issues of social inequity
