Behavior Contract

You will be traveling out of the state or country. For some of you, this will be your first time on an airplane, and for some, this will be the first time you have been thousands of miles away from home.

You will be exposed to different customs from your own. You are a visitor and must learn to cope with the differences that surround you. You should not expect things to be the same, but this is what makes travel fun. The telephone system may seem insufficient, the currency too complicated, and the food rather strange. There may even be some delays and inconveniences. Try to come to terms with all of these with calmness and an open mind. People will be friendly and helpful if you come across in the same manner. Do not look at everything through the lens of a camera before looking at it with your own eyes. Your memory will give you more pleasurable moments than hasty snapshots. Some of the things you learn can and will last a lifetime.

When you travel, it will be as a part of a large group. The scheduled activities are group activities, and you are expected to participate so that you really learn something during your experience. By doing so, you will be getting the most of your trip. As a member of a group, therefore, you carry certain responsibility- not just for yourself and to your teachers and parents, but to others as well.

Below is a series of rules and regulations that are designed to help while traveling. These rules ensure your safety and it's your responsibility to follow them at all times. Think of this trip as an extension of the school day. Anything that is prohibited on APS school grounds is off limits on this trip, and the same consequences will be enforced.

- No traveler is permitted to carry knives, firearms, or any other dangerous weapons.
- No verbal abuse will be tolerated.
- No traveler is to be in possession of any controlled substances or liquor. No smoking.
- Cell phone/Internet use will be kept to a minimum during group moments, unless to take pictures.
- You are expected to have breakfast, lunch and dinner with your group unless otherwise specified.
- No traveler is permitted to rent a motor vehicle of any kind or to obtain any body piercing and/or tattoos.
- You are required to participate in all group activities such as sightseeing and excursions since this constitutes your trip. Travelers are never to go off alone during free periods. Travelers should always be with a partner when they are not with their teachers. Always be sure to have a chaperone/director contact number with you at all times.
- Naturally, you should always be punctual. Other people will be counting on you. No littering or leaving trash behind anywhere. Respect other people's property. You will be financially responsible for damage you cause.

We should add that you are being put in a very important and responsible position. You are representing not only your school and your town, but also your country. We are all good-will ambassadors when we are in a foreign land. We have tried to provide you with as much information as possible to help you understand the places you will be visiting and the people you will be meeting. All sorts of scheduled activities will be provided to make your trip enjoyable and memorable. Your enthusiasm and willingness to learn is key to the experience that awaits you.

I understand the rules of this trip, and agree to abide by them. I have also read the Trip Selection Criteria and the Cancellation policy information.

Trip Selection Criteria

Participation in out-of-school trips is a privilege. The school must be conscious of the safety of all students as well as the way in which the trip represents the school in our community. The trip organizers may make a determination of criteria for students who they feel can safely participate in the trip, who can appropriately represent the school, and who can support the mission and goals of their particular trip. Trips are an optional enrichment activity offered by school staff. While we work to have scholarships available, families are responsible for the full cost of the trip.

As trips vary in levels of educational mission, risk, distance, length, and commitment, the criteria for selection vary among trips. At the time of selection, we will not consider for participation any student who:

- Has been suspended from school in the past month.
- Would be under suspension from extracurricular activities
- Is carrying a D or lower in any class
- Is in danger of receiving an FA due to attendance
- Has recent medical or mental health conditions which may affect the safety of the student or create a substantial disruption to the trip (This would apply to students receiving an M grade.).

In addition, students who fail to meet the trip selection criteria in the month before a trip may also be excluded from trip participation.

Exclusion from a trip will result in the following consequences:

- Class grades will not be affected by exclusion from a trip.
- In trips related to courses, students will be provided with alternative assignments to make up for any trip work.
- Funds or deposits may not be returned, as deposits and shared costs may not be recouped by the trip group.

What your accommodations will be like

A good night's sleep is important, so you can count on safe, clean and comfortable accommodations with private bathrooms. Every hotel we work with is required to meet our high standards for quality, safety and cleanliness. Three to four students of the same gender will share a room, which will have a combination of twin and shared double beds. Please be aware that hotels may have different amenities than you find in American hotels.
