These were developed to provide direction for the design of new development and redevelopment primarily in commercial and industrial areas (Business Districts, Industrial Districts, Multi-Use Districts, and for Mixed-Use Development). The Standards focus on development along Massachusetts Avenue, Broadway, the Minuteman Bikeway, and the Mill Brook areas.

All applications shall include plans certified by the land surveyor conducting the boundary survey and professional engineer or architect on the location of the building(s), setbacks, and all other required dimensions, elevations, and measurements. Plans shall be signed under the penalties of perjury. Corner points of a lot (or lots under common ownership) and the change of direction of lines to be marked by stone monuments, cut in stone, stake and nail, iron pin, or other marker shall be marked on plans. The site plan shall be subject to the standards of the Arlington Zoning Bylaw Section 3.4 and the ARB shall make a determination that the project meets these standards.

The Board may request additional documents during the review and approval process, as well as following special permit approval. Submittals include but are not limited to the following:

1. **Computer Generated Image or 3-D Rendering.** A 3-D rendering is required showing the parcel, abutting streets, proposed contours, proposed buildings, and the massing of abutting buildings. It may include photographs and computer-generated images. This requirement may be waived by DPCD staff for small projects. The Board may also request a physical model.
2. **Drawing of Existing Conditions.** A drawing (at a minimum of 1" = 20' unless another scale is found suitable by DPCD) showing the location, type, size, or dimension of existing trees, rock masses, existing topography at 2' contours, and other natural features with designations as to

which features will be retained. In order to meet the conditions for approval of a Special Permit, all existing trees, rock masses, and other natural features shall be retained until a special permit is approved.

3. Drawing of Proposal.

- i. Structure: a drawing including the color and type of surface materials showing front and rear elevations, and side elevations where there are no adjoining buildings, and floor plans.

5. Impact Statement. Applicant shall explain how each of the environmental design review standards is incorporated into the design of the proposed development. Where a particular standard is not applicable, a statement to that effect will suffice. An environmental impact report or statement prepared in accordance with state or Federal regulations may be accepted as a substitute in lieu of this statement, provided it explains how each of the environmental design review elements is incorporated into the design

6. Signs. Application for permit and accompanying plans as specified in Rule 14 for each sign that is to be erected on the proposed structure(s). In lieu of the required submittals listed above, an application for a special permit for a temporary sign per the Arlington Zoning Bylaw 6.2.4(M) shall include an overall signage plan comprised of the information required under the Arlington Zoning Bylaw Section 6.2.10 as well as perspectives, renderings, photographs, models, or other representation sufficient to show the nature of the proposed overall signage plan and its effect on the immediate surroundings.

All materials must be submitted in an electronic format. Additionally, two full sets of plans, submittal documents, and any supplemental documents are required for submission.

RULE 15 : BOARD DECISIONS

The ARB shall review the plans and may grant a special permit subject to the conditions and safeguards listed in the Arlington Zoning Bylaw Section 3.3 and 3.3.4. For stated reasons the ARB may deny approval of a special permit or may approve a special permit without a finding of hardship. As required by M.G.L. c. 40A, §9, a positive vote of at least four members of the Redevelopment Board is needed to issue a special permit. Upon the Board's approval, the Secretary Ex-Officio may sign decisions following a vote of the Board and file decisions per requirements of M.G.L. c. 40A. The final decision shall be emailed and may receive administrative corrections following the Board's votes.

1. Treat all staff as professionals that respects the abilities, experience, and dignity of each individual;
2. Exercise caution and discretion in public criticism of any individual Town employee. 4. To the extent practicable, insure that any materials or information provided to an individual member from a staff member be made available to all members of the Redevelopment Board.

These principles shall be enforced by public admonition through resolution, censure, and other action deemed appropriate by the Board or its appointing authorities. Jurisdiction rests with the Redevelopment Board as a whole, and therefore any member may motion for a finding of a violation of this Rule.

RULE 17 : RULES FOR HIRING OUTSIDE CONSULTANTS UNDER M.G.L. c. 44 §53G

A. Purpose

As provided by M.G.L. c. 44 §53G, the Redevelopment Board may impose reasonable fees for the employment of outside consultants, engaged by the Redevelopment Board for specific expert services. Such services shall be deemed necessary by the Board to come to a final decision on an application submitted to the Redevelopment Board pursuant to the regulations and requirements of the Arlington Zoning Bylaw or any other Town bylaw, regulation, or rule as they may be amended or enacted from time to time.

B. Special Account

Funds received pursuant to these rules shall be deposited with the Treasurer who shall establish a special account for this purpose. Expenditures from this special account may be made at the direction of the Redevelopment Board without further appropriation as provided in M.G.L. c. 44 §53G. Expenditures from this account shall be made only in connection with a specific project or projects for which a consultant fee has been collected from the applicant. Expenditures of accrued interest may also be made for these purposes. At the completion of the Board's review of a project, any excess amount in the account, including interest, attributable to a specific project shall be repaid to the applicant or the applicant's successor in interest. For the purposes of this rule, any person or entity claiming to be an applicant's successor in interest shall provide the Board with documentation acceptable to the Board establishing such succession in interest.

C. Consultant Services

In hiring outside consultant(s), the Redevelopment Board may engage engineers, planners, lawyers, urban designers, or any other appropriate professional who can assist the Redevelopment Board in analyzing the project and to ensure compliance with all relevant federal, state, and local laws, statutes, ordinances, and regulations. Specific consultant services may include, but are not limited to, site plan review, stormwater review, traffic analysis, or land use law. Services may also include on-site monitoring during construction, or other services related to the project deemed necessary by the Redevelopment Board. The minimum qualifications shall consist either of an educational degree in, or related to, the field at issue or three (3) or more years of practice in the field at issue, or a related field. The consultant shall be chosen by, and report only to, the Redevelopment Board and/or its administrator. Hiring outside consultants shall comply with the Uniform Procurement Act, M.G.L. c. 30B §§ 1-19.

D. Notice

The Redevelopment Board shall give written notice to the applicant of the selection of an outside consultant, which notice shall state the identity of the consultant, the amount of the fee to be charged to the applicant, and a request for payment of said fee in its entirety. Such notice shall be deemed to have been given on the date it is mailed by first class United States Postal Service or delivered by e-mail. No such costs or expenses shall be incurred by the applicant if the application or request is withdrawn within five (5) business days of the date notice is given.

E. Payment of Fee

The fee must be received prior to the initiation of consulting services. The Board may request additional consultant fees if necessary review requires a larger expenditure than originally anticipated or new information requires additional consultant services. Failure by the applicant to pay the consultant fee specified by the Redevelopment Board within ten (10) business days of the request for payment, or refusal of payment, shall be cause for the Redevelopment Board to deny the application based on lack of sufficient information to evaluate whether the project meets applicable performance standards in the Arlington Zoning Bylaw. The Redevelopment Board will state as such in a letter to the applicant. No additional review or action shall be taken on the permit request until the applicant has paid the requested fee. When the Redevelopment Board's review of a project is completed and a permit issued, any balance in the special account attributable to that project shall be returned within 30 days. The excess amount, including interest, shall be repaid to the applicant or their successor.

F. Appeals

The applicant may appeal the selection of the outside consultant to the Town Manager, who may disqualify the outside consultant selected only on the grounds that the consultant has a conflict of interest or does not possess the minimum required qualifications. Such an appeal must be in writing and received by the Town Manager within ten (10) days of the date consultant fees were requested by the Redevelopment Board with a copy received by the Redevelopment Board on the same date as received by the Town Manager,. The required time limits for action upon the application shall be extended by the duration of the administrative appeal. In the event that no decision is made by the Town Manager within one month following the filing on an appeal, the selection made by the Redevelopment Board shall stand.
