Subject: 17 Aerial St Arlington MA

Ms. Krepelka,

I will be speaking on Wednesday night regarding the financial stress the fight between National Grid and the Town of Arlington has been causing me. My new business started in 2018 has been halted due to this dispute that I am stuck in the middle of.

You can reach me at 978.502.8045.

Kind Regards,

**Jeffrey P. Borstell**
