**Public Participation:** Ashutosh Gupta spoke to us again about his experience with the Dallin afterschool program. He sent a second email to the director but has not yet receive a reply. We urged him to be more persistent and to cc the school committee if he doesn't hear back.

We next discussed the seven candidates to the Commission on Arts and Culture and voted unanimously to recommend Stewart Ikeda to be the School Committee representative. Jennifer said she would reach out to Stewart to see if he could come to our next School Committee meeting.
