Hi Marie, here is the artwork for the banners. The size is the same as last year, the main part being 24x32 and the bottom part being 24x10. The blank spots are going to be filled in with logos of sponsors.
Thanks, Dan Fox

Hi Fran,

Just 2 banners and we hope to have them up for at least the full month of April or starting mid March if possible. Preferred spot would be both banners on the pole on the west side of Rt 60 by the church.

Thanks,
Dan Fox
