

We support a support a change to parking spaces on Broadway

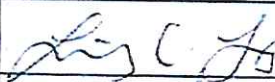

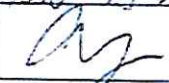

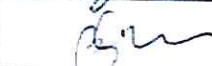

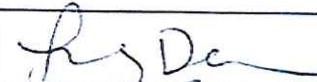

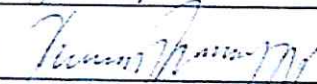

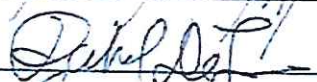

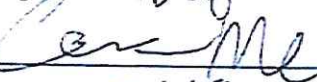

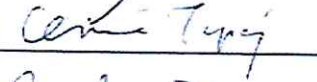

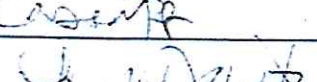

Request for more short-term parking spaces on Broadway	We would like to see more short-term parking spaces – 90-minute or 2-hour – along Broadway from Franklin St. heading east. Since implementing paid parking meters in Arlington Center and marking Broadway as 4-hour parking, the parking congestion along Broadway has made it difficult to park near our homes and the businesses we frequent. We also strongly encourage two 15-minute Loading/Unloading parking spaces at the south side intersection of Broadway and Franklin for families to safely drop off and pick up at Ready, Set, Kids.
Action petitioned for	We, the undersigned, are concerned Arlington ^{and Amesbury} community members, business owners, and patrons who urge you to reconsider the existing parking regulations in favor of a well-rounded plan that works for both residents and businesses in this area of Broadway.
