### Re: Greener Group Letter of Reference

To Whom it May Concern:

Greener Group has recently become a licensed utility installer in the Town of Natick. The company installed approx. 300 feet of 8" diameter water main to provide fire protection and domestic water service to a commercial site in Natick.

Greener Group constructed the service in accordance with Town standards and performed field adjustments as requested by inspection Staff. The work site was clean, well kept and safe.

Sincerely,

William E. McDowell, PE  
Town Engineer.

*Director*

To Whom It May Concern:

Greener Excavating LLC is in great standing with the Belmont Public Works Department. They have done sanitary sewer work, storm drain work and various other general contracting work for the Department of Public Works and our Engineering Department. I have found them to be extremely knowledgeable, reliable and responsive to the Town of Belmont and its property. They have always met or exceeded the expectations of the Town from the permitting process to the end follow up.

If I can be of further assistance, please contact my office at 617-993-2680

Sincerely,

Michael A. Santoro  
Highway Division Director

**RE: GREENER EXCAVATING LLC**

To whom it may concern:

This office has been requested to provide a reference on the quality of work by Greener Excavating LLC with respect to the installation of water and sewer services within the Town of Danvers.

Please be advised that Greener Excavating LLC, under Project Manager Frank Toste, has been the site development contractor for the 46 Lot Choate Farm Subdivision including roadway construction; drainage installation; underground electric telephone and CATV; water & sewer mains including service connections. In addition, the approval of the subdivision required the replacement of 2000 lineal feet of Water Main and services in Locust Street as well as extending the municipal sewer to serve the development.

Mr. Toste has shown to be very knowledgeable and qualified to perform these types of utility installations and the work performed under his direction by Greener Excavating has been acceptable to the Town of Danvers.

Should you have any questions or need any additional information, please do not hesitate to call this office. You can reach me at (978) 777-2668, ext. 637.

Very truly yours,

  
Richard P. Rodgers, P.E.  
Town Engineer
