Re: Supplement – Remote Meeting Checklist and Guidance

---

Please receive this Supplement to the Memoranda from this Office of March 11, 2020, and March 13, 2020 regarding the Town's options for conducting meetings during the coronavirus (or "COVID-19") State of Emergency in the Commonwealth.

As you will recall, meetings by telephone or video conference during the State of Emergency may proceed with all participants engaging remotely, so long as "alternative means of public access" is provided.<sup>1</sup> Public access can be provided by allowing the public to call in or otherwise join meetings remotely so that they can see and/or hear what takes place at remote participation meetings. To assist you in availing yourselves of these options, this Office has developed a checklist and script for Chairs and administrative support staff for remotely

<sup>1</sup> Certain hearings require additional consideration where public comment and/or participation is required.

conducted open meetings which you will find attached. These documents are intended as guides primarily to ensure the following:

- Accurate meeting minutes can be recorded;
- All other requirements of the Open Meeting Law are met;
- The public understands the modifications to the Open Meeting Law during the State of Emergency; and
- Chairs are able to effectively use new technologies such as the “Zoom” app effectively.

Please keep in mind that unlike some other users of teleconference or videoconference technology, it is essentially that a government body’s business can be accurately understood and recorded in meeting minutes, and that the public can follow along.

If specific circumstances of your meeting require further counsel, such as conducting an executive session by remote meeting, please contact this Office at your convenience for further support.
