My child is able to connect to the internet and their Google Spynonders account without any issues.

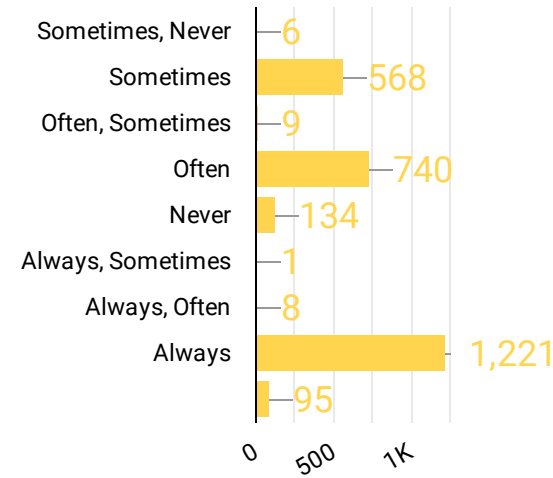

My child prefers to participate in a Google Meet to listen to their teacher explain a lesson rather than watch a video of their teacher.

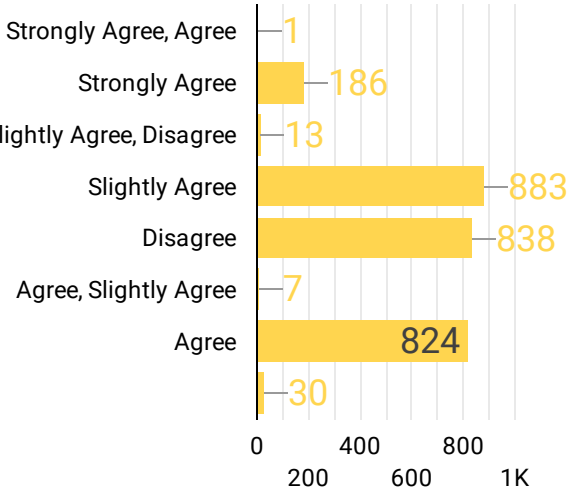

My child prefers to watch a video when it is convenient to learn rather than attend a google meet for instruction.

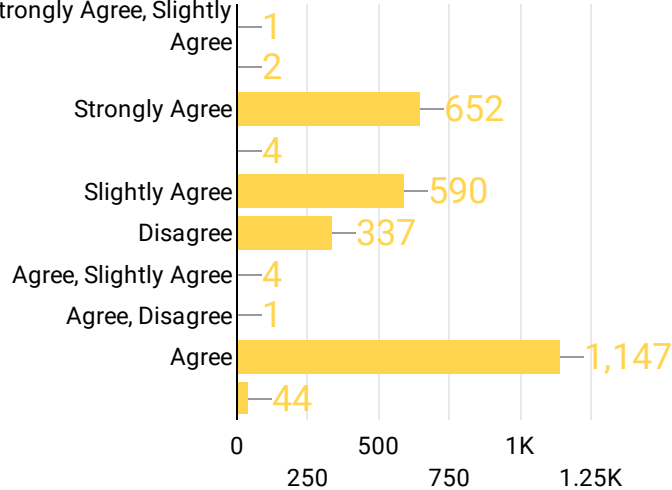

My child's teachers have been supportive with helping my child complete their assignments.

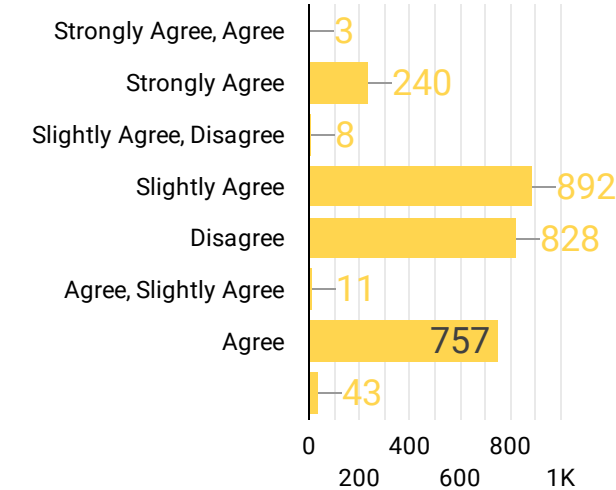

My overall experience with my child's remote instruction has been positive.

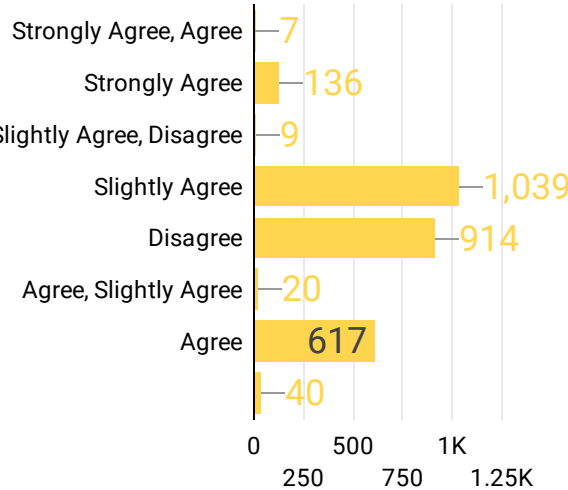

I appreciate the flexibility my child had to access learning and complete schoolwork when it best fit our schedule.

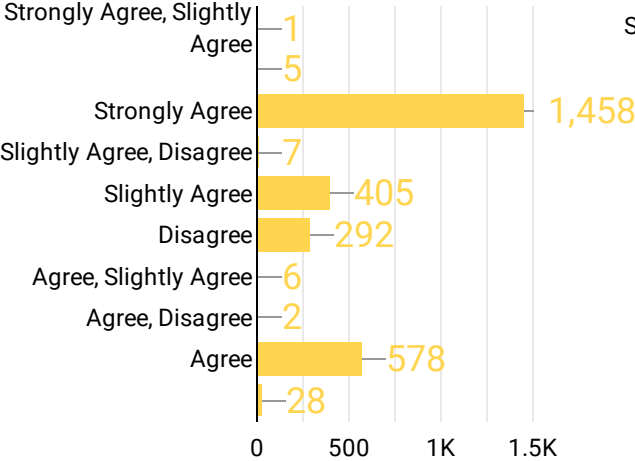

I am happy with the instructional quality of my child's remote learning.

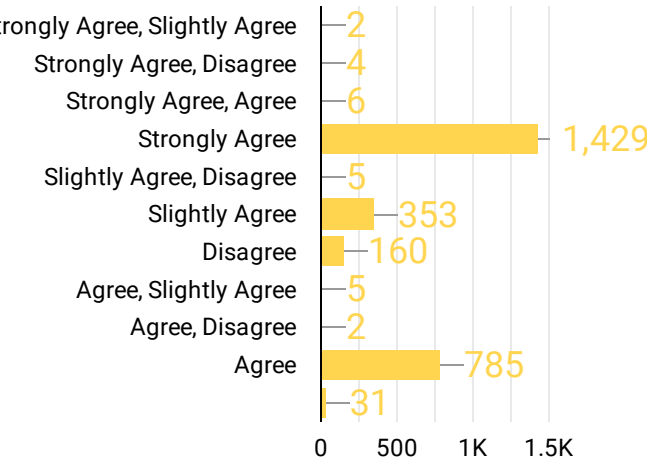

My child found the remote learning assignments engaging.

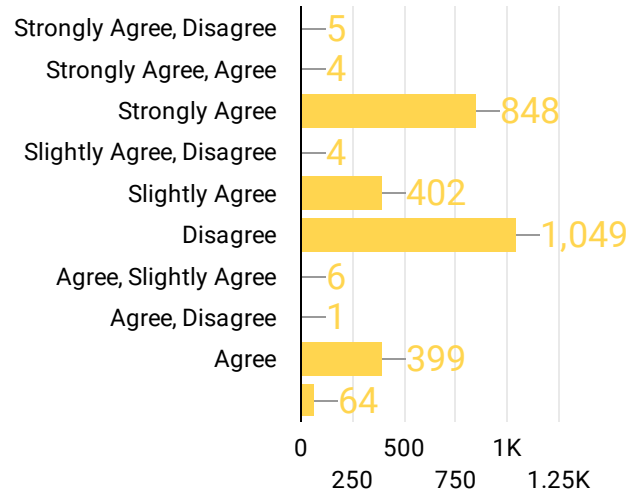

If Arlington Public Schools begins with a regular schedule in the fall, I am likely to send my child to school.

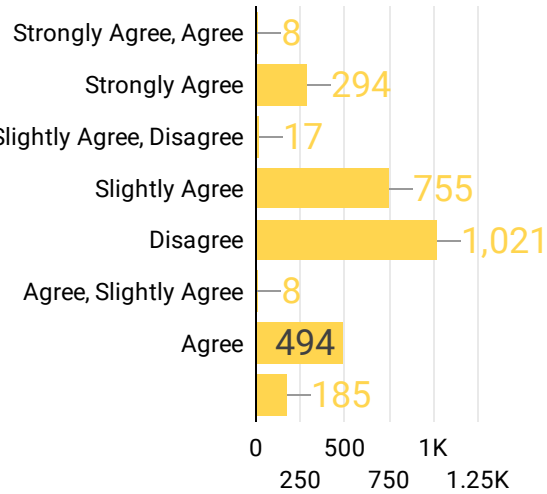

If Arlington Public Schools begins with a hybrid (attend alternating day or week) I am likely to send my child to school.

I am concerned about access to childcare if school opens with a remote or hybrid schedule in the fall.

My child's school building has enough space to maintain social distancing guidelines.
