Additional Staff Training Days this Fall

Dear Superintendents, Charter School Leaders, and Assistant Superintendents,

Our educators and staff are essential to our preparations for a safe and successful fall school reopening. Following collaborative discussions with the teachers' unions, I am announcing today that school districts will have 10 additional days at the start of the 2020-2021 school year to prepare for the reopening of schools. The full memorandum of understanding with the DESE, the Massachusetts Teachers' Association, AFT-Massachusetts, and the Boston Teachers' Union is attached. It states that DESE and the unions have a shared commitment to the safety and well-being of students, families, and staff; they are collaborating to support a successful start to the school year; and they recognize the need to provide additional time for educators and staff to prepare for the start of instruction.

To provide sufficient training for educators and staff, I will reduce the 180 day and student learning time requirements for the 2020-2021 school year to 170 days and 850 hours (for elementary schools) and 935 hours (for secondary schools), so long as districts begin providing instruction to students no later than September 16, 2020.

If a district is unable to meet the September 16, 2020 requirement, it may apply for a waiver. Any request for a waiver should be submitted by email to reopeningk12@mass.gov no later than Friday, August 14, 2020 and must include a full description of the justification for the request.

Sincerely,

Jeffrey C. Riley
Commissioner
