POLICY AND PURPOSE

The purpose of this review instrument is to formally appraise the Town Manager's performance on an annual basis. The document allows the Select Board to assess the Town Manager's performance in management practices and in the accomplishment of goals. Through the review procedure, Board members will recognize strengths, offer positive feedback, and suggest any areas that require corrective action.

Individual performance review forms will be prepared by members of the Select Board. The Chair or his or her designee will prepare an overview document, compiling the scores and comments of individual board members.

PROCEDURE

- 1. The period of review is March 1 through February 28.
- 2. The Town Manager will submit a narrative self-evaluation; a copy of the narrative and a blank review form will be distributed to each Board member at that time.
- 3. Board members will submit reviews by a date set by the Chair. The Chair, in cooperation with the Human Resources Director, will compile scores from individual reviews and develop a consensus overview document.
- 4. Board members may meet individually with the Town Manager to discuss aspects of the performance review document.
- 5. The Chair will provide the other Board members and the Town Manager with the consensus review overview document prior to the meeting at which the document will be publicly discussed.
- 6. The overview document will be finalized for placement in the Town Manager's file at a regular meeting of the Select Board.
