OFFICE OF THE GOVERNOR
COMMONWEALTH OF MASSACHUSETTS
STATE HOUSE • BOSTON, MA 02133

CHARLES D. BAKER
GOVERNOR

KARYN E. POLITO
LIEUTENANT GOVERNOR

**ORDER SUSPENDING CERTAIN PROVISIONS
OF THE OPEN MEETING LAW, G. L. c. 30A, § 20**

WHEREAS, on March 10, 2020, I, Charles D. Baker, Governor of the Commonwealth of Massachusetts, acting pursuant to the powers provided by Chapter 639 of the Acts of 1950 and Section 2A of Chapter 17 of the General Laws, declared that there now exists in the Commonwealth of Massachusetts a state of emergency due to the outbreak of the 2019 novel Coronavirus (“COVID-19”); and

WHEREAS, many important functions of State and Local Government are executed by “public bodies,” as that term is defined in G. L. c. 30A, § 18, in meetings that are open to the public, consistent with the requirements of law and sound public policy and in order to ensure active public engagement with, contribution to, and oversight of the functions of government; and

WHEREAS, both the Federal Centers for Disease Control and Prevention (“CDC”) and the Massachusetts Department of Public Health (“DPH”) have advised residents to take extra measures to put distance between themselves and other people to further reduce the risk of being exposed to COVID-19. Additionally, the CDC and DPH have advised high-risk individuals, including people over the age of 60, anyone with underlying health conditions or a weakened immune system, and pregnant women, to avoid large gatherings.

WHEREAS, sections 7, 8, and 8A of Chapter 639 of the Acts of 1950 authorize the Governor, during the effective period of a declared emergency, to exercise authority over public assemblages as necessary to protect the health and safety of persons; and

WHEREAS, low-cost telephone, social media, and other internet-based technologies are currently available that will permit the convening of a public body through virtual means and allow real-time public access to the activities of the public body; and

WHEREAS section 20 of chapter 30A and implementing regulations issued by the Attorney General currently authorize remote participation by members of a public body, subject to certain limitations;

NOW THEREFORE, I hereby order the following:

(1) A public body, as defined in section 18 of chapter 30A of the General Laws, is hereby relieved from the requirement of section 20 of chapter 30A that it conduct its meetings in a public place that is open and physically accessible to the public, provided that the public body makes provision to ensure public access to the deliberations of the public body for interested members of the public through adequate, alternative means.

Adequate, alternative means of public access shall mean measures that provide transparency and permit timely and effective public access to the deliberations of the public body. Such means may include, without limitation, providing public access through telephone, internet, or satellite enabled audio or video conferencing or any other technology that enables the public to clearly follow the proceedings of the public body while those activities are occurring. Where allowance for active, real-time participation by members of the public is a specific requirement of a general or special law or regulation, or a local ordinance or by-law, pursuant to which the proceeding is conducted, any alternative means of public access must provide for such participation.

A municipal public body that for reasons of economic hardship and despite best efforts is unable to provide alternative means of public access that will enable the public to follow the proceedings of the municipal public body as those activities are occurring in real time may instead post on its municipal website a full and complete transcript, recording, or other comprehensive record of the proceedings as soon as practicable upon conclusion of the proceedings. This paragraph shall not apply to proceedings that are conducted pursuant to a general or special law or regulation, or a local ordinance or by-law, that requires allowance for active participation by members of the public.

A public body must offer its selected alternative means of access to its proceedings without subscription, toll, or similar charge to the public.

(2) Public bodies are hereby authorized to allow remote participation by all members in any meeting of the public body. The requirement that a quorum of the body and the chair be physically present at a specified meeting location, as provided in G. L. c. 30A, § 20(d) and in 940 CMR 29.10(4)(b), is hereby suspended.

(3) A public body that elects to conduct its proceedings under the relief provided in sections (1) or (2) above shall ensure that any party entitled or required to appear before it shall be able to do so through remote means, as if the party were a member of the public body and participating remotely as provided in section (2).

(4) All other provisions of sections 18 to 25 of chapter 30A and the Attorney General's implementing regulations shall otherwise remain unchanged and fully applicable to the activities of public bodies.

This Order is effective immediately and shall remain in effect until rescinded or until the State of Emergency is terminated, whichever happens first.

Given in Boston at 1:40 PM this 12th day of
March, two thousand and twenty.

TO: Select Board and Finance Committee
FROM: Sandy Pooler, Deputy Town Manager and Ida Cody, Comptroller
DATE: September 10, 2020
RE: Quarterly Budget Update – End of Year FY2020

This report presents expenditure and revenue figures through the end Fiscal Year 2020 for the General Fund and the five Enterprise Funds. The Town General Fund Departments underspent their budgets by approximately \$1.25 million. These turn backs will become part of the Free Cash that will be certified as of June 30, 2020. Generally, spending and revenue are at 100% of budget, unless otherwise noted. We offer descriptions for any variance over 10% and for certain others that merit further explanation. The report has three parts: (1) explanations of spending and revenue variances from budgets, (2) a summary level report of the General Fund and Enterprise Fund expense and revenue budgets, and (3) a Munis printout of budget activity through the quarter.

General Fund

Expenses

Comptroller: Expended 107% of budget. This extra spending is due to previously encumbered funds for the VoIP project that were expended and encumbered in FY2019. The project was originally funded in the Comptroller's budget and subsequently assigned to IT. The project is complete and the last encumbrance in the amount of \$2,157.13 will be closed in FY21.

Department of Public Works: Expended 95%. The department returned close to \$620,000, including just over \$210,000 from the snow and ice budget.

Information Technology: Expended 106% of budget. The Department paid a buyout of accrued vacation and sick leave for an employee who retired in July. The funds were accrued as a prior year carry forward and expensed in FY20. The position has been filled now.

Legal: Expended 100.02% of budget or \$157 over budget. Although it appears that the budget is overspent, the department returned \$6.37. This is due to an adjusting entry booked after 6/30/2020.
Parking: Expended 40% of budget. The Department paid a buyout of accrued vacation and sick leave for an employee who retired in July. The position is currently vacant, so no salary has been expended since then. There has been no parking enforcement since the COVID shutdown in March.

Treasurer/Collector: Expended 81% of budget. Treasurer's office had 2 vacancies in FY20. The office realized savings in various expense accounts such as office supplies (due to COVID) and excise bill printing which is now being done by the deputy collector PKS . There were substantial savings in various expense accounts.

Zoning Board of Appeals: Expended 38% of budget. The Department experienced reduced activity due to Covid which resulted in savings in both salaries and expenses.

Other

Debt: Expended 100%. The Debt budget matched out final payments for the year.

Insurance: Expended 99%. Although this budget expended most of its appropriation, it is a large budget and therefore returned almost \$250,000 to Free Cash. This figure is down somewhat from previous years because more people chose Town health insurance than in other years.

Minuteman: Expended 100%. This Minuteman assessment is encumbered at the beginning of the year.

Pension: Expended 100%. The Town's annual pension assessment is made at the beginning of the fiscal year.

Reserve Fund: Transfer out 19% to other departments. Most of the transfers were related to buyouts payments for staff who retired in the past year. There was no need to transfer any funds for snow and ice.

Revenue

All major revenue categories are being collected on schedule. There are some variances due to timing issues.

Fees: Collection rate of 95%. This category is underperforming because of low parking violations, due both to the illness of some of the parking enforcement officers earlier this year and to a suspension of ticketing since March. This category also had estimated \$70,000 in revenue from a collection fee related to motor vehicle excise tax collection. The Treasurer/Collector has changed how the Town collects this fee, outsourcing the service to a Deputy Collector, so the Town no longer collects the fee, it goes directly to the Deputy Collector. The result has been in an uptick in motor vehicle tax payments, but a decrease in fee payments. For the FY2021 budget, we have removed this category from our fee estimates.

Fines and Forfeitures: Collection rate of 56%. These fines come primarily from moving violations, a category that has steadily declined in recent years as the Police Department has deployed alternative strategies to traffic enforcement, such as public education.

Hotel Tax: Collections rate of 139%. Payments via the State are running ahead of the budget projection and have met the year's estimate. However, payments dropped off substantially in the fourth quarter and we anticipate that this income will lag its estimate for FY2021.

Interest/Investments: Collection rate of 1,382%. Investment income is heavily dependent on interest rates as well on the investment strategy of the Treasurer/Collector. Interest rates on investments had risen slightly over the past couple of years and the Treasurer/Collector has improved investment strategies. Recently, actions by the Federal Reserve have led to lower rates going forward. We raised the estimate in this category to \$241,000 in FY2021 to make up for the loss of other revenue next year, such as rental income.

Meals Tax: Collection rate of 114%. Payments via the State are running ahead of the budget projection. As with hotel/motel taxes, meals taxes dropped off significantly in the fourth quarter

Medicaid: Collection rate of 247%. This reimbursement is dependent on the School Department personnel filing the necessary paperwork with the federal government and they did an excellent job of bringing in these reimbursements

Motor Vehicle Excise: Collection rate of 100%. This revenue came in very close to its target. It has flattened and not created large surpluses, which shows that it is dependent on the economy generally.

Payments in Lieu of Taxes (PILOT): Collection rates of 141%. The PILOT payments are a small budget, so a minor variation in payments can result in a large percentage change. Overall, these payments are consistent with previous years.

Taxes: Collection rate of 99%. This collection rate is consistent with collection rates from previous years. Collection rates have been on schedule this year.

Enterprise Funds

Water and Sewer, Youth and COA revenues and expenditures are showing similar patterns to the previous three fiscal years. Rink and Recreation have experienced significant revenue shortfalls due to COVID. These funds also reported reduced spending as a result of reduced activity during the pandemic. We continue to monitor the revenue collection closely and will adjust the expenditures accordingly.

Water and Sewer Fund

Expenses: Expended 97% of budget.

Revenue: Collection rate of 94%.

There was a revenue shortfall in FY2020, resulting in an overall operating deficit of almost \$700,000, however, Joe Connolly worked with the Comptroller to liquidated prior encumbrances, resulting in a fund balance reduction of approximately \$416K. The Fund worked to constrain its spending, however, most of the budget is made up of fixed costs, such as the MWRA assessment, offsets to the General Fund, and debt costs. Revenue did not meet the budget in part because of weather conditions and in part because of the timing of fee increases last year that did not take effect until the second quarter of the year. The Board's early action to approve new water and sewer rates in FY2021 will help remedy this shortfall in FY2021.

AYCC Fund

Expenses: Expended 100% of budget.

Revenue: Collection rates of 100%.

AYCC had a very busy year with higher than expected services to youth in Arlington. Expenses slightly lagged revenue, resulting in a minor surplus.

COA Transportation Fund

Expenses: Expended 67% of budget.

Revenue: Collection rate of 99%.

The \$50,000 General Fund subsidy occurs at the beginning of the fiscal year, boosting the revenue figure. Transportation activity came to a standstill after March, thereby reducing expenses.

Ed Burns Rink Fund

Expenses: Expended 81% of budget.

Revenues: Collection rate of 82%.

The Rink's activities came to a close in mid-March because of the COVID pandemic. The Rink Fund had to offer refunds to some users, but also worked with some users to credit their payments into FY2021. In the spring, the Rink laid off its temporary workers while keeping its full time staff on board. We liquidated a significant amount of prior year encumbrances which resulted in an increase in fund balance of approximately \$26K.

Recreation Fund

Expenses: Expended 88% of budget.

Revenue: Collection rate of 67%.

Recreation activity stopped in March and there was no activity in the spring. The Recreation Fund offered both refunds and FY2021 credits to many people who had paid their FY2020 fees. The Fund had a drop in fund balance of close to \$400,000.

Select Board Meeting Minutes

Date: August 31, 2020

Time: 7:15 PM

Location: Conducted by Remote Participation

Present: Mr. Hurd, Chair, Mr. Curro, Vice Chair, Mrs. Mahon, Mr. DeCoursey, Mr. Diggins

Also Present: Mr. Chapdelaine, Mr. Heim, Ms. Maher

1. Executive Order on Remote Participation

Mr. Hurd opened the meeting by explaining that due to the current State of Emergency, to lower the risk of the spread of COVID-19, the Town has been advised and directed by the Commonwealth to suspend public gatherings, and as such the Governor's orders suspends the requirement of the Open Meeting Law to have all meetings in a public and accessible location. Public bodies may meet entirely remotely as long as the public can access the meeting. The meeting reference materials and how to access the remote meeting are posted on the Town's website. The Chair asked participants that would like to speak, to use their full name rather than a nickname.

Mr. Hurd wanted to go over some business ground rules for effective and clear conduct of the meeting and to ensure accurate meeting minutes:

The Chair will introduce each speaker on the agenda, after they conclude their remarks; Mr. Hurd will ask each member of the Board for their remarks or a motion. Please wait until your name is called. Please remember to mute your phone or computer when you are not speaking and to speak clearly. For any response, please wait until the Chair yields to you and state your name before speaking. Anyone wishing to speak to someone must do so through the Chair.

PROCLAMATIONS

2. Hunger Action Day

Mr. Hurd read the proclamation regarding Hunger Action Day in Arlington. Ms. Doane would like to thank the Board recognizing hunger in Arlington. Ms. Doane stated that she understands hunger has always been a problem in Arlington but now even more so with the pandemic. We can all work together as a community to ensure that no child, family or senior goes hungry in Arlington. The Board is in favor and thanked Ms. Doane for bringing this before them. Ms. Doane stated that if people are looking to make donations they can do so at Arlington Eats and Food Link on Tuesdays between 1 –

4p.m. at Saint John's Church, 74 Pleasant Street. Information regarding Arlington Eats is on their website www.arlingtoneats.org or Facebook which is updated regularly with their current needs.

Mr. Curro moved to adopt the proclamation.

6. Discussion and Approval: Bluebikes Station Locations
Jennifer Raitt, Director of Planning and Community Development
Daniel Amstutz, Senior Transportation Planner

Mr. Chapdelaine stated that the Board approved 4 station locations at their last meeting and there were 2 potential locations that needed further investigation. After doing a little more work the Planning Department has finalized the following two locations for these station locations:

Linwood Street at Minuteman Bikeway – eliminates three parking spaces but is close to the Bikeway and Spy Pond Park. This station would need to be removed in the winter and reduces the width of Linwood to 18' at station point.

Thorndike / Magnolia Field at Minuteman Bikeway – will not need MBTA approval because it is located on Town owned property and is placed outside of the main bikeway path. This will require construction of an additional concrete sidewalk section of 6' wide and 33' long to have the dock placed on this. This station will cut off the informal dirt path between the bikeway and the fields.

The Board is in agreement and feels these are a good location for the stations but would like to see more locations moving up towards Arlington Heights in the future. The Board understands that it needs to adhere with Motivates rules for operating and the stations cannot be more than 1/3 mile apart.

Mr. Curro moved approval.

7. Presentation: Arlington Community Electricity Opt-Up Campaign

Ken Pruitt, Energy Manager

Mr. Pruitt appeared before the Board to explain their partnership program between the Town of Arlington and Good Energy which is our green electricity aggregation broker and the Arlington Chapter of Mothers out Front to rebrand the community choice electricity program. Mr. Pruitt explained that this is also to create a new more effective and user-friendly website as well as to run an opt-up campaign that they hope will get many more electricity customers in Arlington that will voluntarily add new renewable electricity to their supply.

Patrick Roche, Director of Innovation, Good Energy appeared before the Board to explain what the program consists of. This program is called Municipal Aggregation or sometimes Community Choice Aggregation. Mr. Roche explained that on your electricity bill there are two parts, it has a supply portion which is the sources of electricity where the electricity comes from and then it has the distribution which is the wires and poles that get it to you. In Arlington, Eversource will always handle the wires and poles but you can choose where your electricity comes from and Arlington has chosen to do a Community Choice Aggregation Program. This is where the Town selects a supply source but Eversource still bills everyone and handles the power outages. This program has been active since August of 2017 and was launched under the name Community Choice Aggregation of Arlington CCA.

Mr. Roche explained that there were four main goals of the program and one of the big efforts has been to increase the amount of renewable energy that is used going above and beyond state standards but at the same time to have competitive prices compared to Eversource. Another goal was price stability so the program can contract for longer terms than Eversource can and stable prices and also choice. Mr. Roche explained that the program has multiple options and they differ in the amount of extra renewable energy that they have in them. Mr. Roche spoke about the program accomplishments over the last three years and how this lead to the rebranding of the program. The program was called Arlington Community Choice Aggregation and is looking to name it Arlington Community Electricity. This program is a Town backed program and there are four choices in the Arlington Community Electricity Program Local Green which offers 11% extra renewable energy, Local Greener which offers 50% extra renewable energy, Local Greenest which offers 100% extra renewable energy and Basic which offers no extra renewable energy. Mr. Roche stated that they are also revamping their website that will include a direct link to the arlingtonma.gov homepage and are hoping to have the opt-up campaign kickoff in September.

Jill Manga, Arlington Mothers Out Front local Campaign would like to say that the ACE rebranding and website is a huge improvement, it makes the community electricity program easy to understand and answers questions very well. Arlington Mothers Out Front has been working to persuade residents to opt up to 100% renewable electricity through Arlington's CCA Program since its kickoff in 2017. Ms. Manga stated that having the Town initiate and support a new opt-up effort will help convince more residents to opt-up through the ACE program and Mothers Out Front will continue to support this effort.

Mrs. Mahon moved receipt of presentation and approval of the proposed Arlington Community Electricity Opt-up Campaign.

8. For Approval: Letter of Support to Mass Housing re: 1165R Massachusetts Avenue

John V. Hurd, Chair
Douglas W. Heim, Town Counsel

Mr. Hurd stated that we have attached a revised letter based on discussions that have taken place with both proponents along with more information that they have been in receipt of. Mr. Hurd stated that they have changed their letter to a letter of support for this project as well as changed the language.

Attorney O'Connor would like to apologize to the Board in regards to her letters that were sent to the Board as she was trying to be direct and factual but appreciate their letter of support. Ms. O'Connor stated that it is important to the Mirak Family to have a letter of support from the Select Board.

Ms. Mirak stated that she is very grateful for the time that the Board has taken and is extremely happy to have a letter of support and to move forward with this project in Arlington.

The Board is very happy with the letter moving forward and the support and public commentary that they have received in regards to the project. The Board would like to confirm that the date is changed to reflect the date of the vote.

Mr. Diggins moved approval.

9. Update and Discussion: Special Town Meeting (Virtual)

Adam W. Chapdelaine, Town Manager

Mr. Chapdelaine updated the Board that they have met with various staff members from the Town of Lexington and the amount of volunteer and staff effort it would deem to have a Town Meeting in Arlington. Mr. Chapdelaine stated that they also met with the members of Lexington that created the program and how the platform would work for us and what would need to happen to have virtual Town Meeting in the fall. Mr. Chapdelaine stated that there is a lot of work that needs to be done but feels good about it and their ability to make this happen. Mr. Chapdelaine shared that though Lexington did this in the spring, they did not conduct their full town meeting and their Virtual Town Meeting was very similar to our Town Meeting.

Mr. Diggins stated that he is enthusiastic about this program but stated that the hard part will be training. Mr. Diggins is concerned that the timeline has the training starting a little later than he would have liked. Mr. Diggins stated that it is very important that Town Meeting members take the responsibility for training. Mr. Diggins stated that he is happy to coordinate training with the Town Meeting which he feels will mesh nicely with the precinct meetings.

Mr. Chapdelaine is still thinking the second week of November for the first session of Town Meeting but they will determine an exact date moving forward. Mr. DeCoursey questioned if the Moderator has to ask the Select Board to run the meeting remotely or do we announce the warrant is open first. Mr. Heim stated that the correct process would be to have the Board call a Special Town Meeting and then have the Moderator make the determination in consultation with public health officials to come back to the Select Board and state that it needs to be conducted virtually. Mr. Heim stated that we needed to be mindful of Chapter 48 Section 5 which states that the Planning Board is going to need notice each hearing on zoning articles 14 days before that hearing happens.

Mr. Chapdelaine stated that after the Select Board selects a date he will work with the correct Boards and commissions to make sure they have their reports ready in time and are able to line up their hearings accordingly. The Board is very happy that this will be able to move forward and the discussion with Lexington was productive. The Board stated that they will need to take a vote at their next meeting for a final date for Virtual Town Meeting.

10. Discussion: Future Select Board Meetings

The Board tabled this until the next Select Board Meeting until they vote the date for Special Town Meeting.

Mrs. Mahon moved approval.

NEW BUSINESS

Mr. Diggins wanted to mention that the father of a good friend, Edward Braga passed away on August 17th. Mr. Diggins stated that his friend does a lot of research with police departments on gang research and body cameras. Mr. Diggins stated that one of his good friends is Paul Krepelka who is Marie's son. Mr. Diggins stated that when these things happen you take every opportunity you have to let people that you care about know that you love them. Marie keeps this town together one way or another and would like her to know that he is thinking about her and hoping she feels better and loves her very much.

Mr. DeCoursey stated that tomorrow is Election Day and would like to thank all of the offices that helped the Clerk's Office put this together and would like to remind citizens to be safe during Election Day.

Mr. Chapdelaine added that he is very appreciative of Ms. O'Connor and Mr. Heim for their hard work in putting together the 1165R Mass Ave letter. Mr. Chapdelaine also would like the Board to know that the Town has received another green communities grant in the amount of \$100,000 for interior LED light upgrades at two of the schools in Town.

Mrs. Mahon moved to adjourn @ 9:14 p.m.

A roll call vote was taken on the motion by Mr. Heim.

Re: Appointment: Commission for Arts and Culture

Dear Ms. Noah:

As a matter of the standard appointment procedure, the Select Board requests that you attend a virtual meeting of the Select Board conducted by remote participation, on Monday, September 14th at 7:15 p.m.

It is a requirement of the Select Board that you join this virtual meeting. This will give the Board an opportunity to meet and discuss matters with you about the area of activity in which you will be involved.

Information which includes the link to the meeting will be available at the bottom of the Select Board Agenda as well as on the Town Calendar when the meeting is posted Thursday, September 10th by 7:00 p.m.

Please contact this office by e-mail, amaher@town.arlington.ma.us, if you have any questions.

Thank you.

Very truly yours,
SELECT BOARD

Marie A. Krepelka
Board Administrator

August 4, 2020

To the Arlington Commission for Arts & Culture:

My name is Christine Noah and I am writing to express my interest in a role with the Arlington Commission for Arts & Culture. I moved to Arlington this past spring after living in Cambridge for four years. I came to the Greater Boston area in 2016 after previously calling Louisville, KY and Charlotte, NC home. I have very much enjoyed my transition to New England because it is such a vibrant and dynamic place to live, and its cultivation of arts and culture is a large part of that vibrancy. As a new resident of Arlington, I would like to take an active role in supporting the arts and promoting an empathetic and resplendent community.

I work in the arts and have been a theaternaker for over a decade. I received formal training in performance and have split my professional career between arts administration and freelance producing, acting, and directing. My admin work has primarily been in development, with past experience in grant writing, institutional giving, crowdfunding, corporate philanthropy, in-kind partnerships, annual fund, major gifts, and special events. I currently work for the American Repertory Theater (A.R.T.) at Harvard University, where I manage our Board of Trustees and Board of Advisors. In my freelance work, I am a Co-Artistic Director with fringe theatre company Fort Point Theatre Channel (FPTC), a multi-disciplinary artist collective based in Boston. With FPTC, I have participated artistically as a producer, actor, and director, as well as administratively, managing social media, assisting with fundraising, leading an executive search, and serving on the Board of Directors.

My work with both A.R.T. and FPTC has allowed me to experience a variety of roles within the arts industry, providing insight and perspective into what makes a successful project and how to engage the community around it. I think the skills and tools I have honed throughout my career would be an asset to the work of ACAC, and I would be thrilled to have the opportunity to use my experience to make this town, my new home, an even more robust and enticing place to live.

If you have any questions or if additional information would be helpful, please do not hesitate to reach out to me. Thank you so much in advance for your consideration.

Sincerely,
Christine

Re: Appointment: Commission for Arts and Culture

Dear Ms. Noah:

As a matter of the standard appointment procedure, the Select Board requests that you attend a virtual meeting of the Select Board conducted by remote participation, on Monday, September 14th at 7:15 p.m.

It is a requirement of the Select Board that you join this virtual meeting. This will give the Board an opportunity to meet and discuss matters with you about the area of activity in which you will be involved.

Information which includes the link to the meeting will be available at the bottom of the Select Board Agenda as well as on the Town Calendar when the meeting is posted Thursday, September 10th by 7:00 p.m.

Please contact this office by e-mail, amaher@town.arlington.ma.us, if you have any questions.

Thank you.

Very truly yours,
SELECT BOARD

Board Administrator

August 18, 2020

Dear Cristin and Stewart,

I am quite interested in contributing to the Arlington Commission for Arts and Culture with a commissioner's seat at the table. I currently own and operate with my partner, an art-focused gallery named TheObjectOfStories in Arlington, Massachusetts.

Our gallery is an iteration of a concept first opened by my partner in Beijing in 1995 called the Mustard Seed Gallery. At that time, it was the first Chinese-owned private art gallery in the PRC. In 1997, we opened the first authentic Chinese tea house and gallery in the United States, named QingPing Gallery Teahouse on Newbury Street, and subsequently moved to the South End in Boston. We hosted art exhibitions, music and theatre events, and welcomed individuals and groups who wished interaction within our space and with each other. We created a non-profit cross-cultural alliance to promote understanding and establish a common foundation of communication through art, which grew relationships and further opened doors and purposes for individuals and businesses in the US and China. In 2005, we moved to Beijing and spearheaded several arts and cultural businesses and projects which further engaged these principals. It was a successful and vibrant time. We continue to maintain our business and a residence in Beijing.

When we chose to re-open a space in the USA, we sought a community where creativity, business, and we could thrive. In our search for a space, we came to find that Arlington should be the location for our concept, in no small part due to the efforts of ACAC. Since opening TheObjectOfStories gallery in the Fall of 2019, our warmest and greatest surprise has been the number of our customers from the early QingPing time who have walked into our Arlington gallery by chance and found us again. It seems many now live in Arlington.

Our focus has always been on the integration of art and culture in everyday life activities and the creation of a space or platform or circumstance that would allow for interaction and appreciation, the intent of which leads to understanding, and which is hopefully given back and projected forward.

I appreciate that the town of Arlington endeavors to create the same through the work of the ACAC. I want to offer whatever skills, interests, and experience I have toward the shared labor, passion, and vision of the other committee members.

If there are any questions I could answer to complete any thoughts you may have regarding my application, please let me know. My partner and I plan to continue our interest in supporting the arts and culture scene and the work of ACAC no matter the outcome of the commissioner process.

Thank you for your time and consideration.

With all kind regards,

Sarah Morgan-Wu

INSPECTION REPORT SECTION:

The application is for a food vendor license for Number One Taste at 165 Massachusetts Avenue in East Arlington. This location is in a B3 Village Business zoning district and is an appropriate use for the neighborhood. The applicant seeks to open a Chinese food restaurant in this location, which was previously the Tiki In, also a Chinese food restaurant. The applicant owns two other restaurants in nearby communities and has already permitted and installed attractive signage in this new location.

The Department has no objection to the issuance of a food vendor license to this business.

Any changes in signage, including signs in the window, and changes to the façade of the building may be subject to review by this Department. The Applicant is reminded that all signs, including re-lettering of the existing signs require a permit issued by the Building Department. Other provisions of the Zoning Bylaw may apply as determined by the Building Inspector.

APPLICANT SIGNATURE SECTION:

I have received the above report and acknowledge said inspection. I fully understand that no work is to commence at the premises of the proposed location of which is the subject matter of this inspection report until the license is approved by the Select Board; furthermore, any work done is done at the applicant's risk.

August 26, 2020

On Wednesday, August 26 at 2:30 PM, I called and spoke with Jack Sy regarding this application for a Food Vendor License for the Number 1 Taste, located at 165 Mass Ave. Sy stated he is not making any real changes and hopes to open around September 1, 2020. Sy stated that he will not be serving alcohol at this location. Sy stated that he does own another location in Belmont with the same name.

I advised Jack Sy that the Board of Selectmen may be conducting C.O.R.I and S.O.R.I checks during the application process.

Pending the checks conducted by the Board of Selectmen's Office, Arlington Police Dept. is not aware of any law enforcement or public safety reasons to object to the Food Vendor License for the Number 1 Taste.

Respectfully Submitted,

Detective Edward DeFrancisco

Re: **Arlington Economic Development Recovery Task Force Update**

Since May of this year, the Arlington Economic Development Recovery Task Force (Task Force) has held 13 meetings, convened six focus groups, formed four industry-specific working groups, conducted one consumer survey, created processes for temporary outdoor dining, temporary outdoor fitness and arts classes and exhibitions in Town parks, and more. Through the Task Force at large and the four working groups, there are several projects and initiatives in the works. Below is a summary of the projects broken down by each working group to which they are assigned.

1. **Marketing Working Group:** The Marketing Working Group has created a campaign called Shop Arlington First. Inspired by the program of the same name run by the Arlington Chamber of Commerce since 2014, the goal of the campaign is to promote Arlington's businesses, educate the public about the local economic ecosystem, and to encourage residents whenever possible to shop at Arlington businesses *first* before going to a business in another town, a national chain, or online retailers. The campaign consists of many elements, including a direct mail and opt-in text marketing campaign funded by Leader Bank and a signage and banner program funded by the Arlington Tourism and Economic Development Committee (ATED). Through the Arlington Chamber of Commerce, fundraising efforts are still underway for a digital marketing campaign targeted to the 25-45 year old demographic which shops online most frequently. To supplement the work of the Marketing Working Group, the Department of Planning and Community Development (DPCD) has applied for a MassDOT Shared Streets Program grant to fund a public parklet program. Below is a sample graphic from the Shop Arlington First campaign, which is designed to show the many different ways people can safely shop in Arlington's businesses.

SHOP ARLINGTON First!

#ShopArlingtonFirst #SupportLocalBusiness

Arlington Economic Development Recovery Task Force • Arlington Chamber of Commerce

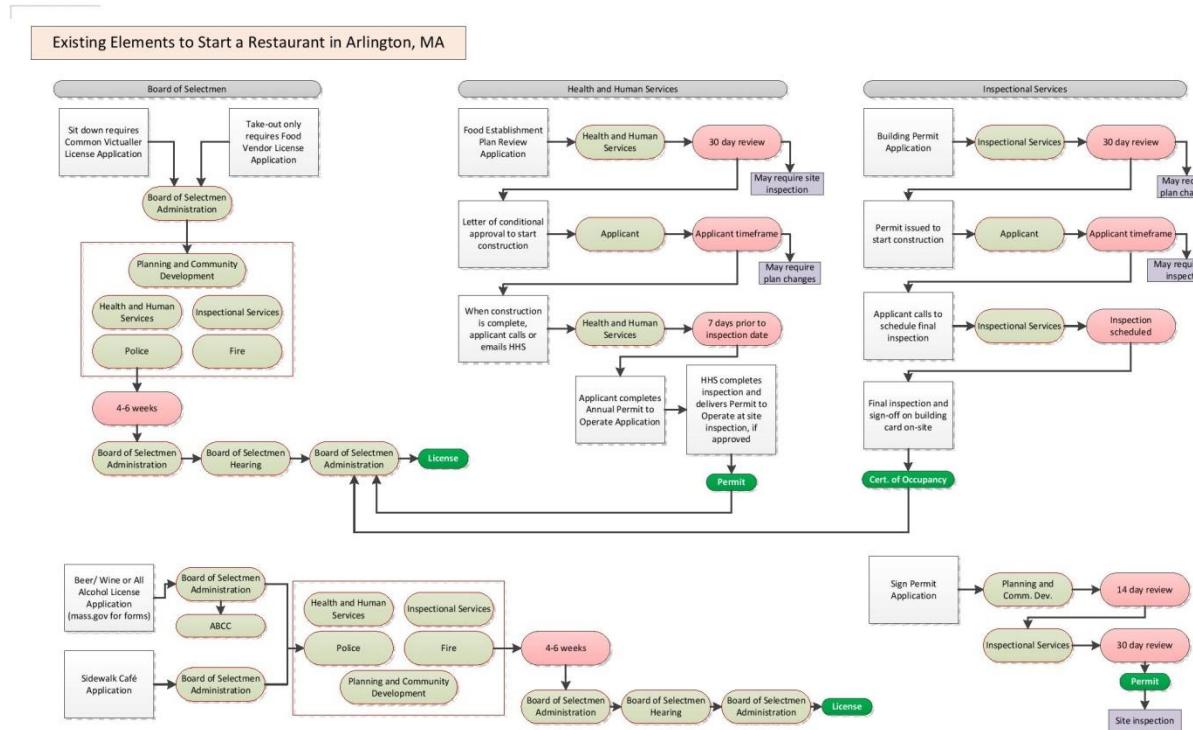

And here is the design scheme for a public parklet in Arlington Heights.

2. **Application Modernization Working Group:** The Application Modernization Working Group is tasked with streamlining application processing across the many boards, committees and departments in the Town's administration. To this end, the Department of Planning and Community Development is making a capital request to purchase online permitting software.

In 2018, in response to one of the Select Board's goals, staff in the Information Technology (IT) and DPCD inventoried and [digitally saved](#) 112 application documents from 11 departments. During the COVID-19 pandemic and economic crisis, it is critical to stress the need for staff across multiple departments to share a single, digital interface to optimize the customer service experience as well as administrative workflow. Our current situation presents the necessity of investing in human and digital resources for the present and future of the Town's success with business attraction, retention, and customer service for constituents who access our administration for permissions and services. Enhancing organizational efficiencies will save time, money, and improve the customer service experience for all involved.

Below is an image of the existing workflow for opening a restaurant in Arlington.

3. **Performance Working Group:** The Performance Working Group is focused on supporting the artist community and the local theaters that showcase them and serve as anchors in two of the town's three business districts. The COVID-19 pandemic has had a devastating impact on the performing arts sector, with many performing artists being out of work since March and the theater capacity being limited to 25 including staff by state guidelines, effectively precluding them from operating. With theaters and performing arts venues to be among the last businesses to reopen, their survival is in extreme danger. Members of this group have been

exploring the viability of organizing performances and small events in town and that work will continue throughout the fall and winter of 2020-21.

4. **Retailers Working Group:** Retailers have been vulnerable to closure as online retail continues to gain a greater share of the consumer market year after year. These global economic trends are difficult to buck on the local level, but Arlington's retailers have enjoyed great success and prosperity over the years until the COVID-19 pandemic, which accelerated the advance of online shopping gaining a greater share of the market. Between the capacity restrictions and quarantining requirements for tried-on clothing in the State's Reopening Guidelines along with plummeting consumer spending, retailers are in an extremely fragile state. Retailers in this working group have indicated a desire for pro bono tech support in launching and managing e-commerce platforms. They have also asked for technical assistance in learning new promotional techniques such as live commerce, either as one-on-one technical assistance or in a webinar series. In addition, a coordinated delivery service is being explored as is the use of Variable Messaging Boards being placed in town to encourage drivers on Mass Ave to shop locally.

Next steps: The Task Force discussed taking action to accommodate seasonal business activity during the colder weather months is making the following preliminary recommendations:

1. Extension of opportunities for seasonal outdoor dining and shopping beyond November 1, 2020 to the period of the State of Emergency in the Commonwealth. Alcohol service regulations are subject to the extension of [Executive Order 35](#) related to restaurant outdoor seating. The attached revisions to the Temporary Outdoor Dining License (TODL) regulations reflect our suggestions for how the Town can manage outdoor dining.
2. Allowance for outdoor heaters to be used subject to the approval of the Arlington Fire Department. Please also refer to attached revisions to the TODL regulations.
3. Extension of Temporary Outdoor Fitness and Arts Permit program on Arlington Park and Recreation properties.

TOWN OF ARLINGTON TEMPORARY OUTDOOR DINING RULES AND REGULATIONS

Monday June 1, 2020

Revised September 14, 2020

ARTICLE I - GENERAL

Section 1 - Purpose and Scope

The 2020 COVID-19 pandemic has caused not only a public health crisis; it has also triggered a worldwide economic crisis. Public health requirements for social distancing have placed new burdens and challenges on the business community to provide more physical space between customers and staff. In an effort to respond to the new social distancing requirements, the Department of Planning and Community Development is recommending temporary outdoor dining regulations that will allow local restaurants to establish outdoor seating on sidewalks, parking lots, on street parking spaces, or landscaped yard areas around their restaurants to provide more space for seating their patrons and picking up To-Go orders. These regulations will be in effect until further notice following review of the Select Board.

Outdoor dining areas of appropriate design, configuration and appearance can be an attractive amenity throughout the warmer months of the year. Temporary Outdoor Dining License ("TODL") applications will be reviewed by Town staff for compliance with these guidelines and will be forwarded to the Select Board office for administrative approval. TODL License are intended to be compatible with regular outdoor dining and seating licenses. TODL Licenses, like regular licenses must be reapplied for annually so as to assure that they remain in compliance with terms of the original approval and are adequately maintained from year-to-year, but may be terminated at any time the Select Board determines the purpose of temporary outdoor seating is no longer served by such licenses.

Section 2 - Design and Appearance

Outdoor dining areas must be distinguished from their surroundings by some form of perimeter fence or barrier. Appropriate perimeter materials include, but not limited to demountable wrought-iron fences; or individual planters of wood, masonry, or terra cotta; or other fencing deemed acceptable by Town staff. The public sidewalk or street may not be damaged by the installation of any perimeter treatment. Cafe umbrellas are allowed; umbrellas and furniture should be of a design appropriate to the character of the building. Trash receptacles should be integrated in the design and materials with other outdoor cafe elements.

Section 3 - Pedestrian and Wheelchair Passage

These temporary regulations allow the restaurant operator to place outdoor dining tables and chairs, umbrellas, lighting, service equipment, perimeter fences or barriers to occupy a defined area of the sidewalk. In some cases, the Department of Public Works (DPW) can erect temporary barriers on the street to allow for the passage of pedestrian and wheelchair traffic around the portion of sidewalks devoted to outdoor seating in compliance with Americans with Disabilities Act standards.

Section 4 - Outdoor Food Preparation

Outdoor food preparation is not allowed unless specifically authorized by the Health Department.

Section 5 - Alcoholic Beverages

Approval of an outdoor dining area shall not to be construed as an approval for the alteration or extension of premises where alcoholic beverages are served. The serving or consumption of alcohol outside of the premises of a duly licensed establishment to serve alcohol must be approved by the Select Board on a case-by-case basis. Interested establishments with alcohol licenses should submit an additional request for a temporarily amended alcohol licenses to the Select Board. The only change permitted is to the description of the premises providing that alcohol may be served in outdoor seating that was added or re-configured pursuant to these regulations. All temporary amendments will expire on November 1, 2020, or by Order of the Governor rescinding COVID-19 restrictions on dining establishments, whichever is sooner.

Section 6 - Temporary Seating & Parking Relief

Due to the seasonal and temporary nature of an outdoor dining area and reduced occupancy loads required by emergency regulations, the seating within an outdoor dining area will not be interpreted as an increase in the number of seats serving a restaurant or eating establishment, and will not be counted towards any off-street parking requirement. However, in no event shall the overall number of seated customers shall exceed the number of seats available, as permitted and supplemented by a regular outdoor dining/seating license.

ARTICLE II - SUBMISSION AND APPROVAL OF APPLICATIONS

Section 1 - Application Procedure

Applications for TODLs shall be submitted to the Health Department. The Health Department will review the application and plan for outdoor seating and will consult with the Building, Fire, Public Works, and Planning Department. All plans must comply with any applicable Massachusetts Governor's orders, Massachusetts Department of Public Health orders and guidance documents for social distancing and for food services establishments. If the outdoor seating plan is acceptable and the application form is complete, they will forward it to the Select Board office for administrative approval. Outdoor seating permits may include conditions of approval such as daily cleaning and maintenance of the outdoor seating area. If additional information is needed or a revision to the seating plan is required, they will contact the applicant. Applications shall be submitted on the attached form along with a plan for the outdoor seating area and an insurance certificate as described below.

Section 2 - Plan Requirements

A neatly drawn plan will be submitted depicting the precise area of the proposed outdoor dining area, the arrangement of outdoor dining furniture, perimeter fencing, cafe umbrellas, outdoor heaters, and any other equipment. Areas designated for picking up take-out food shall also be shown on the plan. Tables and chairs shall be separated by at least six feet to provide for social distancing. Take-out food pickup areas shall also be a minimum of six feet from patron seating areas. The restaurant shall follow all other social distancing and virus prevention measures as outlined by the Board of Health, which are not associated with an outdoor seating plan. Smoking is prohibited in all outdoor dining areas.

If a restaurant will be utilizing an existing parking lot or yard area, a plan with the same requirements is required. Outdoor seating proposed for a parking lot shall not occupy more than 50% of the required parking spaces.

Section 3 - Insurance

The Restaurant Owner shall carry or require that there be carried Workers' Compensation Insurance for all employees and those of its contractors and/or subcontractors engaged in work at the outdoor dining facility, in accordance with the State Workers' Compensation Laws. In addition, the Restaurant Owner shall carry Comprehensive Public Liability and Property Damage Liability Insurance with limits hereinafter set forth to cover the Restaurant Owner and its contractors and subcontractors against claims due to accidents which may occur or result from operations under this Agreement. Such insurance shall cover the use of all equipment related to the provision of outdoor dining services. The Comprehensive Public Liability and Property Damage Liability Insurance shall insure against all claims and demands for personal injury and property damage with respect to the sidewalk dining facilities and services, with limits of One Million Dollars (\$1,000,000) for property damage, One Million Dollars (\$1,000,000) for injury or death to one (1) person, and Two Million Dollars (\$2,000,000) for injury or death of more than one (1) person in a single accident. If such limits are not commercially available at a reasonable cost to the Restaurant Owner, such insurance may be maintained at such lower limits that are commercially available at a reasonable cost; provided, however, that the Restaurant shall notify the Town in advance of the effective date of any such lower limits. The Town shall be named as an "additional insured" in all policies for such insurance and the Restaurant Owner shall furnish a certificate of insurance to the Town prior to commencing provision of the facilities and services authorized under these regulations. Where such insurance is renewed or replaced the Restaurant Owner shall furnish the Town with a certificate of insurance evidencing the same.

Section 4 - Approval by the Select Board office

Following receipt of a favorable recommendation from the Public Health Director, the Select Board office may approve a TODL. Upon approval of an outdoor dining area by the office of the Select Board, the owner and operator of the restaurant and Select Board office staff will sign the License Agreement which has been prepared for these purposes by Town Counsel.

ARTICLE III - AMENDMENTS

These rules may be amended by a majority vote of the members of the Select Board provided such amendment is presented in writing at a regular meeting and action taken thereof at a subsequent regular meeting.

ARTICLE IV - EFFECTIVE DATE

These rules were adopted at a regular meeting of the Select Board on June 1, 2020 and became effective as of that date.
