TOWN OF ARLINGTON

In the Matter)
))
 of the) No. 411
 Petition of)
 Carmine A. Lionetti and)
 Anna A. Lionetti)

To the Zoning Board of Appeals for the Town of Arl-
ington: Respectfully represents Carmine A. Lionetti and Anna A.
of Arlington that ^{they are} ~~is~~ the owner of certain land in ^{Lionetti}
Arlington, located Palmer St. & Beacon Street; that they
made application of the Inspector of Buildings for
a permit or license with respect thereto, to wit: to divide
and sell a portion of that lot on Beacon Street, known as
number 12, to the prospective purchasers of lot directly
in the rear of said Beacon Street and facing Palmer Street.
Said subdivision would create two lots with less than the
square foot ^{have} area required by Section 14-B of the Zoning By-Law.
that they ~~are~~ have been aggrieved by the refusal of the Inspec-
tor of Buildings to issue the permit or license on the
grounds of noncompliance with the Zoning By-Law; that no
unfavorable action has been taken by the Zoning Board of
Appeals or its predecessors upon a similar appeal regard-
ing this property within the two (2) years next immediately
prior to the filing hereof.

Wherefore appeal is claimed from the decision of the
Inspector of Buildings in accordance with the provisions of
Section 4, Paragraph 3 of the Zoning By-Law for the Town of
Arlington and as grounds therefor, your appellant states as
follows: It is respectfully called to your attention the fact
that on said Palmer Street there are at least three lots upon
which buildings have been recently erected with a square foot
area of the same or less area than the present lot on Palmer
Street. The owners will sell a portion of the rear of their
lot so as to increase the area of the Palmer Street lot.

BOARD OF APPEALS

PETITION NO. 411

of Carmin A. & Anna A. Lionetti

Statement of Facts.

The Zoning Board of Appeals, hereinafter called the "Board" conducted a public hearing on the Petition of Carmin A. & Anna A. Lionetti for permission to subdivide a parcel of land at 12 Beacon Street.

The Petition was filed in the office of the Inspector of Buildings on January 26, 1955. The hearing was held at the Town Hall on Monday evening, February 21, 1955 after due notice had been given by publication in the Arlington News on February 10, 1955 and by mail, postage prepaid, to owners of real estate opposite to and abutting on the property in question, and to other parties in interest, whose names and addresses are recorded on a separate list which forms a part of the official record of these proceedings, and by posting the property.

The members of the Board present were:

Philibert Pelligrini, Chairman
Clifford E. Lansil, Secretary
Robert W. Blaisdell

The Petitioner was represented by Michael A. Fredo, Attorney.

The property involved in this appeal is shown on Plot plan #42 as Lots 9 & B extending from Beacon Street to Palmer Street. The series of lots lettered A, B, C, etc. are formed from a triangular strip which resulted from a relocation of Palmer Street. These lots, at the end near Warren Street, are of considerable size, lot B having an area of 2,269 sq. ft. However, it is too small to build upon. Lot 9 has an area of 7,821 sq. ft., and is larger than necessary for a house. It is proposed to subdivide lot 9 so that the back part, together with lot B, will comprise 5,507 sq. ft., while the residual of lot 9 will be 4,583 sq. ft. Thus, another lot will be created which will be large enough for practical utilization.

The proposal is quite in keeping with several others already submitted to the Board which pertain to lots in the blocks between Palmer Street and Beacon Street. The resulting lots would be as large as or larger than the average lots in the vicinity.

The Board believes that, in this case as in the others, the interests of all parties and the neighborhood will be best served by allowing the subdivision. Both lots will be conforming in width.

It is the unanimous decision of the Board to permit the subdivision as specified on the plan submitted with the Petition.
