Mr. Mason presented the [Special Education Reserve Transfer memo dated June 29, 2021.](#)

Mr. Mason said it is the recommendation of the Superintendent and I, that a vote is not held this evening to transfer an amount into the Special Education Reserve Fund. However, if the School Committee would still like to transfer funds into the reserve fund, then they would recommend a 50/50 split of the projected amount of \$225,363.84 to be returned to the town and voted to be transferred into the Special Education Reserve..

After the committee stated that they support the motion and know splitting the difference as half the money will go to the town and half will go into reserve for future benefit of our students and committed to Town Meeting to keep money aside for Special Education Reserve.
