Subject: Atwood House

Good afternoon Jenny,

The Atwood House is currently in compliance with the conditions set forth by the Historical Commission. I walked the site Tuesday, August 24, and saw that they had boarded all windows. The installation of the security cameras and motion lights however is still in process. Being that there is currently no power to the building. Phil Randall had explored battery-operated units but was unsuccessful in finding anything reliable. If Phil's electrician is unable to resurrect the existing electrical, he will install a temporary service. Phil will be providing a drawing soon, indicating the location of the proposed cameras and lights for our approval. Please let me know if I can provide any additional information.

Thanks
Mike
