Hi Ashley & Lauren,

This is Sandy Cannon from the Arlington Public Schools Transportation Dept. We need to change the pick up and drop off location at the Stratton School due to traffic/safety issues. The location is currently inside the circle at the front of the school. We've observed the traffic pattern and concluded a better location would be on Pheasant St. We initially, contacted Corey Reteau (Safety Officer) at the Arlington Police Dept. He advised us to contact the Select Board regarding this change. Your help would be greatly appreciated to expedite this process.

Thank you,

Sandy

Hello Lauren,

It was a pleasure speaking with you today and thank you for your guidance. Please see the screenshot of the proposed Pheasant Ave/Chatham St location. This move is necessary due to the congestion ,both morning and afternoon, on Mountain Ave and the additional safety of a crossing guard.

Best,  
Steve
