**Re: \$10,000 MassTrails Matching Grant for Mystic to Minuteman Path Connection
Feasibility Study**

Dear Adam,

The Solomon Foundation is pleased to provide a matching grant of \$10,000 to your MassTrails Grant for the Mystic to Minuteman Path Connection Feasibility Study. These funds come from *A Greener Greater Boston*, a program supported by the Barr and Solomon Foundations.

We look forward to updates to let us know how these efforts progress and how we can continue to be of assistance.

All my best,

Herb Nolan
