Dear Select Board,

I am writing to request use of the Arlington Center poles beginning on Nov. 15 for our Shop Arlington First banners. We will use the same banners that hung last season and which were developed in collaboration with the Planning Dept. Our hope would be to have these banners up through the end of the year to help promote shopping local over the holidays.

Please contact me at 617-429-2558 with any questions. Thank you for your help.

Best regards,
