SUBJ: Amsden St. No Parking Request

1. The APD Traffic Unit has no objection to the placement of a No Parking sign on the east side of Amsden St. at the intersection of Mass. Ave. The Town's Traffic Rules and Orders already prohibit parking within 20 feet of an intersection. Additionally, similar parking restrictions are in place on the following streets; Cleveland (One-way), Marathon (One-way), Trowbridge, Teel, and Henderson. There is also ample parking on Mass Ave. for retail establishment in this area.
