MEMORANDUM

To: Lauren Costa, Office of the Select Board
From: Engineering Division
Re: 2022 Town of Arlington Approved Contractor/Drainlayer Renewals
Date: October 25, 2021

Dear Ms. Costa,

As requested, the Engineering Division has reviewed the 2022 Contractor/Drainlayer Renewal list that was provided.

Based on our review, I can confirm that all listed contractors are in good standing with the Engineering Division, with the following exceptions:

- *A.T. Paving LLC (approved April 27, 2020)*: Following approval by the Select Board, this contractor has failed to provide evidence of insurance and bonding despite multiple inquiries from the Engineering Division. Thus, the Engineering Division has never formally added this contractor to the online permitting system and now recommends their removal based on lack of responsiveness.
- *Thomas J. Caccavaro*: This contractor remains in good standing but operates as Caccavaro Construction, Inc., and has for many years. The list has been revised to show the correct company name.

At this time, we recommend approval of all other pending Approved Contractor/Drainlayer renewals.

If you have any specific questions, please feel free to reach out to me at 781-316-3322 or by email at wcopithorne@town.arlington.ma.us.

Regards,

William C. Copithorne
Assistant Town Engineer
