

12/21/21

64 Freeman St.
Arlington, MA

To: Zoning board of Appeals (Town of Arlington)

Subject: placement of dumpster (if needed)

on-street placement of dumpster would be best

Asking for consideration regarding dumpster

- * neighborhood is condensed

- * Recent severe RAT/Rodent issue

- * must have secure cover for dumpster

(Attached cover will not blow off)

- * no food or beverages in dumpster

- * Removal when more than 1/2 full

- * only for use of 66 Freeman St.

- * on-street location is closer to side of house where dormer will be added

- * neighboring house bedrooms will be affected by dumpster if placed in driveway

"Thank-you" for your consideration
