To Whom It May Concern,

Our neighbors, Nate and Johanna Wood, at 238 Park Avenue have informed us of their plans to build a new single story addition to the southern side of their house that abuts our yard, and that the addition will be in line with the current southern-side structure. They have indicated this may require permission from the town of Arlington. This letter is our support for their approval as we have no objection to the proposed build.

Regards,
