

## **APS K-5 Literacy Program Report**

Prepared by Roderick MacNeal, Jr., Ed.D.
Assistant Superintendent of Curriculum and Instruction

## **Objectives**

- Review current updates to K-5 literacy instruction:
  - Foundation for literacy instruction
  - What's new...
- On the Horizon
- Comments and Questions

66

"Literacy is not just about reading words on the page; it also carries some sort of action. In other words, reading and writing are transformative acts that improve self and society"

Cultivating Genius by Dr. Gholdy Muhammad, pg. 9

- Our literacy program is based upon the <u>2017</u> <u>Massachusetts English Language Arts and</u> <u>Literacy Framework</u>
- Curriculum Family Guides
- 2021-2022 K-5 ELA Curriculum Map and Standards

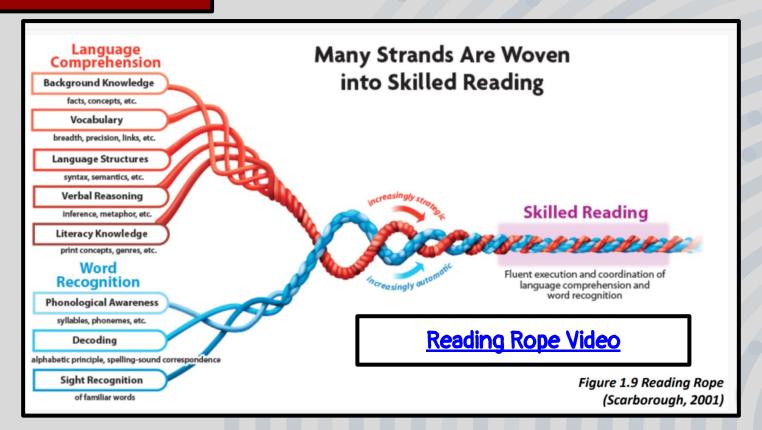

#### What's New for 2021-2022...

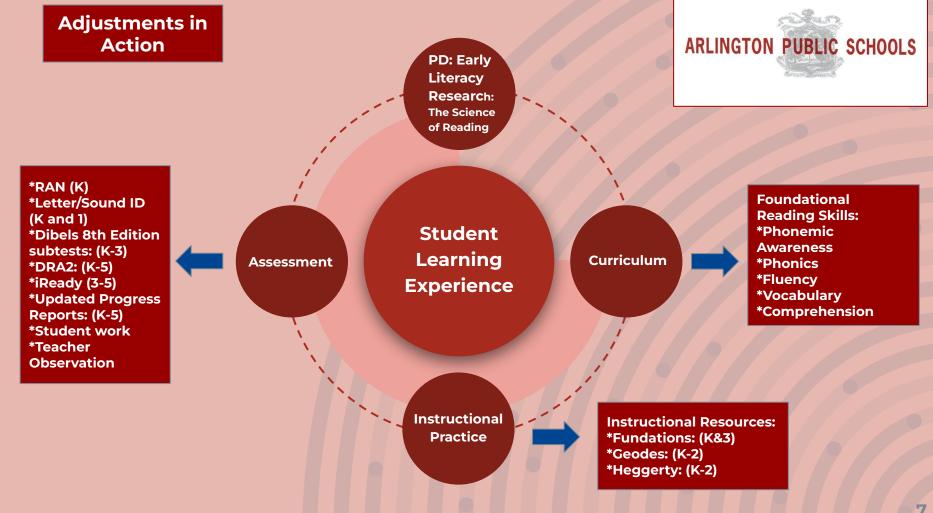

Winter Summer Fall Winter 2020 Spring 2021 2021 2022

K-2 teachers receive PD from Dr. Melissa Orkin on the Science of Reading. Literacy coaches provide Fundations training for kindergarten and 3rd grade teachers. Literacy coaches work with K-5 teacher teams to revise and update curriculum and progress reports. Literacy coaches provide PD to K-3 teachers on administering and interpreting the data collected from the new Dibels subtests. K-2 teachers receive additional PD on integrating Geodes into instruction. Elementary
Principals and
literacy coaches
receive training on
the Amplify
Platform (Houses
our Dibels data).

# Background and Research

Let's review the latest research on best practices for early literacy instruction
