 After School Programs: 2022-23 Planning
 Agenda

Agenda and Objectives:

- Reflect on successes and challenges for after school programs and their families, staff, and students at your school this year;
- Share hopes for next year's programming, including any new considerations that all parties should keep in mind;
- Make decisions about which programs will use which spaces, at what times, and on what days;
- Identify any next steps required for present parties to ensure equitable access to after school programming in 2022-23.

Present:

- Principal
- CFO
- After School Program Lead
- Community Ed Program Lead
