

MEETING AGENDA

Monday, May 9, 2022

Gibbs School Theater

6:00-8:30pm

Facilitators:

Jessica Pepple
Robert Rametti

Team Norms

- A brave space is a learning space. Find a learning space, even if it involves discomfort.
- Listen with intent to understand, not to reply.
- When the going gets tough, turn to wonder.
- Observe confidentiality. Refrain from using student, staff, or other professionals' names. Observe double confidentiality. Refrain from sharing outside of small groups unless given permission beforehand.
- Speak your truth in ways that respect others' truths.

Meeting Objectives:

- Participants will deepen their understanding of the various data sources and the process by which groups identified themes during the 4/26 session
- Participants will identify **needs and opportunities** from the various synthesis statements generated at the previous session

6:25-7:10 (45 mins)	Whole Group Review of Data and Synthesis Statements <p>The purpose of this activity is to allow for more time for participants to process further the data we reviewed during the last session. This is an opportunity for each group member to read through all of the synthesis statements generated and document their reactions. The facilitators will review the reactions in real time and prioritize some of the reactions for whole group discussion and clarification. Other reactions will be put in the “parking lot” for future sessions.</p>

- (15 mins) Silently read all of the synthesis statements from 4/26. As you read, make note of the following:
 - Requests for clarification
 - Wants
 - Disagreements
- Record your reactions **HERE**.
- Jessica and Rob will identify select reactions for whole group discussion, providing time for the original group writers to respond to the reaction.
