Ashley

I hope you had a safe and happy New Years. I have attached the report (# 23000100) from 1-2-2023. What a terrible situation.

Please note in the report it is stated that the dogs involved appeared to have pushed open a door at the home which allowed them to get out and attack the other dogs. This was not a case of the dogs being walked off leash or being unrestrained while outside with the owner. In addition I checked our system with the owners name (Bermudez) and there are no other animal related reports attributed to that name.

I hope this is helpful.

Hi Captain Flynn,

Would you be able to provide me with the police report for this dog attack that took place yesterday on 1/2/2023? Ms. Oringer reached out to Diane regarding starting the process for a dangerous dog hearing!

I hope you had a nice weekend. Happy New Year!

Best,  
Ashley
