The Zoning Board  
Town of Arlington

I am writing this letter in support of the issuance of special permit for full dormer addition planned for 20 Martin St, Arlington.

I am an Arlington resident at 48 Crawford St, directly across the street from 20 Martin St. I have reviewed the plans for the proposed addition and have no objections to it. Moreover, as my residence is also a fully dormered Cape-style house, I understand and can vouch for the importance of extra living space the dormer provides, especially to a growing family.

Please let me know if you have any questions.

Sincerely,

Pradeep Bista  
48 Crawford St, Arlington
