Subject: Removal of Temporary Parking Restrictions in Front of 23 Maple Street &  
Addition of Parking Time Limitations at 51 Grove Street

---

In May of 2021, I had requested that parking in front of 23 Maple Street be restricted to 15 minutes between the hours of 7AM and 4PM to accommodate the use of that building as a temporary Engineering Department and Inspectional Services Department.

Several weeks ago, these Departments moved to the new facility at 51 Grove Street. As such, the restricted parking is no longer necessary on Maple Street and I am recommending it be removed.

In addition, I would like to create a similar parking situation in front of the new 51 Grove Street to allow for the short term parking needs of visitors to that facility. I am requesting that the parking directly in front of 51 Grove Street (between the two access driveways) be signed for 15 minute parking between the hours of 7AM to 4PM Monday through Friday.

Thank you for your consideration of this request.
