RE: 165 Franklin Street—Second Phase Decision

This address is included on the Arlington Historical Commission Inventory of Significant Properties. The significant Greek revival building was built about 1850. Please see the attached inventory which describes the existing status in 1980.

At the meeting on January 9, 2024 the Arlington Historical Commission voted to approve the following.

The Commissioners approved the plans to build the garage and additional residence at the back of the original house. The plan for this addition is attached to this email. Once again, we will monitor the materials for all windows, siding, trim, etc. for the garage and second residence.

A motion was made by Commissioner Stange to move forward on the plans that describe the footprint and the dimensions of the addition behind the original building. Commissioner Schaefer seconded the motion and a roll call vote was taken and all voted in favor of the motion.

Please let me know if you have any questions.
