

2024 Clean School Bus (CSB) Rebate Program School Board Awareness Certification

The intent of this form is to ensure awareness of all parties involved in the potential new bus project. This form is not binding, meaning that applicants do not need to fully commit to proceeding with the potential new bus project if selected for funding. This early communication is meant to provide notice and the EPA fully expects that awardees and their appropriate school board will have additional communications as needed as part of the award acceptance process.

For this form, an authorized representative may include, for example, the Superintendent or their representative, who could sign the form after notifying an appropriate person at the Board of the application for the potential new bus project.

By signing, I certify that I am an Authorized Representative for [*School Board Name*] and that [*Applicant Name*] (Applicant) has made us aware that [*Applicant Name*] is applying for 2024 Clean School Bus Rebate Program funding for [*School District Name*]. I also certify that, in discussions with [*Applicant Name*], we have discussed the number of buses for replacement, the fuel type of the new buses, and which party will own the new buses.
