TOWN OF ARLINGTON

ZONING

BOARD OF APPEALS

APPEAL NO. 779

of Philip Simonian

Statement of Facts.

The Zoning Board of Appeals, hereinafter called the "Board" conducted a public hearing on the appeal of Philip Simonian of Arlington from the refusal, on March 19, 1963, of the Inspector of Buildings to issue a permit for the construction of a garage to house vehicles and equipment on his property located at 20 Pond Lane.

The action of the Inspector of Buildings was automatic since the proposed would be used to house commercial vehicles constituting a violation of Section 14 of the Zoning By-Law.

The appeal was filed in the office of the Inspector of Buildings on April 3, 1963. The hearing was held at the Town Hall on Tuesday evening, May 7, 1963 after due notice had been given by publication in the Arlington Advocate on April 11 and 18, 1963 and by mail, postage prepaid, to owners of real estate opposite to and abutting on the property in question, and to other parties in interest, whose names and addresses are recorded on a separate list which forms a part of the official record of these proceedings, and by posting the property.

The members of the Board present were:

Ralph F. Tuller, Chairman
Alfred C. Bridgens, Secretary
John J. Bilafer

The appellant was present at the hearing accompanied by his builder, Rugo Santini, Santini Sons, Inc., 116 Magnolia St., Arlington, Mass. Also present at the hearing were Valma Jenkins, 9 Pond Lane, Thomas F. McCarthy, 19 Pond Lane, Vincent Govoni, 21 Pond Lane, who were recorded in favor of granting the petition. Mr. & Mrs. Fred S. Karaganis, 21 Wyman Terrace did not favor the petition, but their objections were directed toward an unsightly condition existing in the rear of Arlington Pipe and Supply rather than with the garage proposed by appellant.

The property involved in this appeal is shown on Block Plan #10 as Lot B numbered 20 Pond Lane containing a dwelling house on 9200 sq. ft. of land.

Active businesses are presently being carried on in the immediate area. On a lot adjacent is a Storm Window Factory and to the rear of appellant's lot is located a plumbing supply house.

Appellant, the owner of State Coal & Oil Co. purchased the property in the Summer of 1961 and since that time has been using it for the storage of his vehicles and equipment.

The proposed garage would be a dwelling 14' high, 45' wide and 75' long of cinder block construction and would be located at the rear of the lot at a distance of 19' from the existing dwelling in accordance with the plan submitted by the appellant.

It is noted by the Board that the proposed location of the garage is in immediate proximity to other commercial buildings in the area. The contours of the proposed garage would be in keeping with this business atmosphere. It would seem that a garage to house appellant's vehicles and equipment would provide a much neater appearance to the property than is evident at present.

It is the opinion of the Board that the purpose for which the appellant wishes to use the proposed dwelling causes a hardship to appellant and that relief may be granted without detriment to the public good or to the intent of the Zoning By-Law.

It is the unanimous decision of the Board that the appeal shall be allowed and the Inspector of Buildings is authorized to issue the necessary permit for construction located substantially as shown on the plot plan submitted.
