

Arlington Town Hall

July 22, 2017

To the Arlington Board of Selectmen:

I understand that the Town of Arlington requires the support of a town entity to support any non-town organization's request for banners along Mass Ave.

I am writing as a member of the Arlington Commission on Arts and Culture to support the Arlington Center for the Arts' request to hang banners along Mass Ave. for their annual Open Studios event.

Thanks very much.
