Adam, Ali,

I just looked through all the materials on Aeronaut. Attached is an idea for how to preserve public access, both for cut-through traffic and for a small all-ages area.

Idea is that food vendors and non-profit would line the path from Mass Ave/Old Mystic to Jefferson Cutter. The could serve to both age-restricted and all-ages sides. Minimal additional fencing would be required.

This would address my chief concern with the proposal.

Thanks for considering.
