Hello Jenny,

Here is the map and ZBL I mentioned during the ARB's open forum.

I see what you mean about sections that appear to be cut out (e.g., roadways between Turkey Hill and the Symmes hospital). Given the time period, I just assumed those sections of town were still under development and not all the roads had been built.

## ADMINISTRATION AND ENFORCEMENT

### Section 2. Enforcement

1. This by-law shall be enforced by the Inspector of Buildings appointed under the building code of the Town of Arlington, and no permit shall be granted for the construction, alteration, re-location or use of any building or structure, if the building or structure as constructed, altered, re-located or used would be in violation of any provision of this by-law. Whenever such permit or license is refused because of some provisions of this by-law, the reason therefor shall be clearly stated in writing.

2. If the Inspector of Buildings shall be informed, or have reason to believe, that any provision of this by-law has been, is being or may be violated, he shall make or cause to be made an investigation of the facts and inspect the property where the violation may exist. If he shall find any such violation he shall give notice thereof in writing to the owner or to his duly authorized agent and to the occupant of the premises, and order that any use of any building contrary to the provisions of this by-law shall immediately cease.

3. If, after such notice, the premises are continued to be used in a manner contrary to the provisions of this by-law, or if any such owner or occupant shall fail to obey any lawful order of the Inspector of Buildings in respect to any violation or use contrary to the provisions of this by-law, the Inspector of Buildings with the approval of the Board of Selectmen may, and if required by them shall, institute appropriate legal proceedings to enforce the provisions of this by-law or to restrain by injunction any violation thereof, or both, and shall do all further acts, revoke the permit for occupancy, institute and take any and all such action as may be necessary to enforce the provisions of this by-law.

### Section 3. Occupancy Permit

1. No building hereafter erected, altered substantially in its use or extent or relocated shall be used, and no change shall be made of the use of any building or of any parcel of land, unless an occupancy permit signed by the Inspector of Buildings has been granted to the owner or occupant of such land or building. Such permit shall not be granted unless the

proposed use of the land and building and all accessory uses comply in all respects with this by-law and no use shall be made of such land or building that is not authorized by such occupancy permit.

### Section 4. Zoning Board of Appeals

1. A Zoning Board of Appeals is hereby established, to consist of three members to be appointed by the Board of Selectmen. All members of said Zoning Board shall be residents of the Town of Arlington, and one member shall be an Attorney-at-Law, and at least one of the remaining members shall be a registered architect or a registered civil engineer. The appointments first made shall be for the term of one, two, and three years respectively, so that the terms of one member shall expire each year. All subsequent appointments shall be for the term of three years. When the appointments are first made the Board of Selectmen shall also appoint two associate members for the term of two years each, such associate membership to be appointed every second year. No member shall act in any case in which he shall be interested, and in case any member or members shall be so disqualified, or because of absence from the town, or any other cause, he or they shall be unable to act, the remaining member or members shall, in a written statement, filed with the secretary, so certify, and name an associate member or members to act upon the particular matter. Whenever said associate member or members shall serve, he or they shall have all the powers conferred upon a regular member. If two or more members are absent or disqualified, the Board of Selectmen may appoint substitutes to act during such absence or disqualification. The said Zoning Board of Appeals shall organize yearly, choosing a chairman and a secretary.

2. The Board shall adopt rules, not inconsistent with the provisions of the by-laws of the Town, for conducting its business and otherwise carrying out the purposes of the Zoning by-laws. Meetings of the Board shall be held at the call of the chairman, and also when called in such manner as the board shall determine in its rules. Such chairman, or in his absence the acting chairman, may administer oaths, summon witnesses and call for the production of papers. All hearings of the Board shall be open to the public. The Board shall cause to be made a detailed record of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and setting forth clearly the reason or reasons for its decisions, and of its other official actions, copies of all of which shall be immediately filed in the office of the town clerk and shall be a public record, and notice of decisions shall be mailed forthwith to parties in interest as hereinafter designated.

3. Any person aggrieved by the refusal of the Inspector of Buildings to issue a permit or license on the grounds of noncompliance with the Zoning by-laws may appeal to the Zoning Board of Appeals as provided in Chapter 40 of the General Laws and any amendments thereto.

4. No appeal or petition and no application for a special exception to the terms of this by-law which has been unfavorably acted upon shall be considered by the Zoning Board of Appeals within two years after the date of such unfavorable action except with the consent of all the members of the Planning Board.

5. Any person or persons desiring to obtain the permission of the Zoning Board of Appeals for any purpose for which such permission is required under the provisions of this by-law shall make application in writing therefor to the Zoning Board of Appeals which shall, within a reasonable time, hold a public hearing thereon, seven days' public notice of which shall be given.

6. The Zoning Board of Appeals shall also, at least ten days prior to the hearing, send or deliver written notice to all the owners of real estate opposite to or abutting on the property in connection with which any permission is sought, and to such others as the Zoning Board of Appeals may order or by regulation prescribe, and shall, at least ten days before the hearing, post a notice of the hearing, upon the property in a conspicuous location, adjacent to a street on which the property is situated, stating the nature of the petition in connection with which permission is sought. A copy of this notice shall be posted on the Bulletin Board at the Town Hall.

7. In the case of an appeal involving a change in use of land or building the Zoning Board of Appeals shall hold a joint meeting with the Planning Board to discuss the matter, preferably before the date of the public hearing or in any event before final action is taken by the Zoning Board of Appeals.

#### Section 4-A. Exceptions and Variances

1. The Zoning Board of Appeals may on petition, in appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to the terms of the by-law in harmony with its general purpose and intent, in the following cases:

- (a) It may permit in a Residence A District the alteration of a single family dwelling as a residence for not more than two families, provided that the external appearance of a single family dwelling be retained so far as reasonably practical.

- (b) It may permit in a Residence A District or B District a hospital, sanitarium or other medical institution.
- (c) It may permit the rebuilding, repair or extension of a non-conforming use as provided in Section 7, Paragraph 3.

2. The Zoning Board of Appeals may also authorize variances in particular cases as provided in Section 30 to 30A of Chapter 40 of the General Laws or acts in amendment thereof and in addition thereto. The grant of such variances may be of indefinite duration, or for periods not exceeding one year. Such temporary grants of variances may be renewed from time to time, except that in the case of a new building or of an addition to an existing building, the aggregate of the periods covered by such temporary grants and the extensions thereof shall not exceed two years.

#### Section 5. Amendments

1. A copy of every petition for the amendment, modification or repeal of this by-law, including the Zoning Map and the boundary lines of the districts thereon, and of every article submitted or to be submitted to the Selectmen for insertion in the warrant for any Town Meeting relating to any such amendment, modification or repeal, shall be filed with the Planning Board on or before the date when such article is submitted to the Selectmen for insertion in the warrant.

2. The Planning Board, upon the request in writing of not less than ten registered voters of the Town shall, or upon its own initiative may, hold a public hearing for the consideration of any proposed amendment, modification or repeal of this by-law, provided that where a petition is filed such petition shall show that copies of the petition have been sent by registered mail to all abutters of the land referred to in the petition. The Planning Board shall report to the Town Meeting its recommendations with respect to the action to be taken thereon. Notice of such hearing shall be given by publication in a newspaper of general circulation in the Town, the first publication to be not less than ten days before the date assigned for the hearing.

3. No action shall be taken at any Town Meeting upon any proposed amendment, modification or repeal of this by-law unless a public hearing has been held thereon in the manner prescribed in the preceding paragraph, and the recommendations of the Planning Board have been reported to the Town Meeting, or twenty days have elapsed after such hearing without a submission of a report of its recommendations by the Planning Board to the Town Meeting; and no amendment, modification or repeal of this by-law shall be made except by two-thirds vote of a town meeting.

4. No proposed amendment to this by-law which has been unfavorably acted upon by the Town Meeting shall be considered on its merits within two years after the date of such unfavorable action unless the adoption of such an amendment is recommended in the final report of the Planning Board required by Section 27 to 27A of Chapter 40 of the General Laws.
